4. Describe the action steps the school/district will take to reduce the opportunity gap in student possession of ASB cards and/or participation in extracurricular activities for the upcoming school year.

The ASB students will send out a survey in May 2024 regarding reason students are not participating in sports/clubs (we will also survey the current 8th grade students for our feeder Middle Schools). Our ASB clerk is going to include information on getting ASB cards and ability to get an ASB card for free in our beginning of the year packet of information to parents and students. We will put poster at the beginning of the year about getting an ASB and how you can get one for free. We will also share what you can get in for free (i.e entry for football games, free entry to Homecoming dance, etc.). Our ASB clerk will work on getting additional materials for sports so students who don't have those materials can participate (i.e. Tennis rackets, golf clubs, etc.). We also will work with our Child Nutrition office to help us reach out to students who qualify for Free and Reduced Lunch so we can give them an ASB card.
