School Description

Louisa May Alcott said, "Educate yourself to take part in the world's work..." At Alcott Elementary, we strive to prepare and challenge our students for tomorrow. Our mission aligns with the Lake Washington School District: Every student future ready; prepared for college, prepared for the global workplace, and prepared for personal success. At Alcott we C.A.R.E., which stands for Cooperation, Responsibility for our Actions, Respect through kindness and compassion and Effort every day. This represents the way that both staff and students support and interact with one another Every Day.

We are part of a supportive community and PTSA. Family support is such a gift to our school, and we know this has a positive impact on student learning. Diversity is celebrated in our school community. We are proud of the way in which differences and similarities encourage relevant and authentic learning for everyone. We care about our world, our community, our school, and our children.

2022-23 School Goals

Targeted progress monitoring areas are selected collaboratively based upon data and connect with student growth goals. In addition, our student services team meets three times throughout the year with grade level teams to share practices and strategies specific to student needs. Along with academics, we believe that fitness and arts, regular attendance, and social/emotional health are key factors for success.
