District General Fund Budget: \$547.2 million
District Per Pupil Expenditure: \$17,975 per pupil
Building Budget for this school: \$69,036

School Description

John Muir Elementary (JME) is a community of learning and learners where all students are provided a rich academic program in a safe, nurturing environment. JME serves a socially, economically, and ethnically diverse population of children. This diversity is a source of strength and pride for the school. The students from JME will attend Kamiakin Middle School and then progress to Juanita High School. We are honored to serve the students of JME.

One of our primary focuses at JME is to equitably provide an academically rigorous experience that allows each student to achieve their personal best. The professional educators spend considerable time in staff development to continuously improve their practices to meet the needs of all children. Ongoing assessments allow teachers to monitor the progress of students to ensure they are making annual growth and alter instruction when necessary. Every year, we analyze data, write goals, and collect data for our School Improvement Plan. Staff use assessment results to focus on improving student learning through effective teaching pedagogy.

In addition to academic success, JME focuses on developing the social-emotional intelligence of our students. We believe that to be academically successful; students also need to develop the social-emotional skills of collaboration, empathy, self-control, and problem-solving. We approach our social-emotional instruction by explicitly teaching the Lake Washington Interdisciplinary Life Skills and Attributes, integrating counselor led lessons using Second Step, the social-emotional learning curriculum, and implementing Positive Behavior Interventions of Supports (PBIS) school-wide.
