## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### Principal's Message

The Gateway Community Day School (CDS) program serves the needs of students, grades 7-12, with behavior issues that present a serious barrier to their learning or to the learning of others. Students may enter the program in any of three ways: 1) Referral by County Probation 2) Referral through the SARB (behavior) process and 3) Student expelled (including suspended expulsion). The goal of the Gateway CDS program is to assist students in developing the pro-social traits and skills that will facilitate success in the comprehensive classroom and school setting. The Community Day School staff work very hard to meet the academic needs of each student, while holding the student accountable for demonstrating consistent responsible and respectful behavior. The use of a classroom level-system helps each student to track their individual academic and behavior progress as they acquire the social/behavioral skills and academic habits that will assist them in successfully completing the CDS program. Students who attain the appropriate level and maintain it for the required length of time are considered for transition and may be returned to a comprehensive school site.

## 2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 7	1
Grade 8	2
Grade 9	8
Grade 10	4
Grade 11	3
Grade 12	4
<b>Total Enrollment</b>	<b>22</b>

## 2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	13.6%
Male	86.4%
American Indian or Alaska Native	4.5%
Hispanic or Latino	22.7%
Two or More Races	18.2%
White	54.5%
English Learners	4.5%
Socioeconomically Disadvantaged	90.9%
Students with Disabilities	18.2%

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	1.50	60.00	102.20	81.42	228366.10	83.12
<b>Intern Credential Holders Properly Assigned</b>	0.00	0.00	2.00	1.59	4205.90	1.53
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	0.00	0.00	3.00	2.39	11216.70	4.08
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	1.00	40.00	6.10	4.89	12115.80	4.41

<b>Total Teaching Positions</b>	2.50	100.00	125.50	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	1.50	60.00	93.60	75.56	234405.20	84.00
<b>Intern Credential Holders Properly Assigned</b>	0.00	0.00	5.70	4.64	4853.00	1.74
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	0.00	0.00	6.00	4.84	12001.50	4.30

<b>Total Teaching Positions</b>	2.50	100.00	123.90	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	1.00	1.00
<b>Total Out-of-Field Teachers</b>	1.00	1.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)		0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Gateway Community Day School follows the State Instructional Materials Adoption Cycle, which reviews instructional materials in each curricular area within a seven-year cycle. Site and District Department Chairs, along with site administrators and the Faculty Advisory Board, review textbook needs and make recommendations for adoptions. Recommendations are forwarded to the Board of Trustees for approval.

Gateway Community Day School students have access to the library at Mountain Lakes High School. The library is stocked with numerous educational and recreational books that are available for students to check out.

Computer resources within the library are connected to the Internet so that students are able to access resources and information online. In the classroom all students have Chromebooks and these devices are connected to the Internet. Using software programs helps develop critical thinking skills, technological skills, and mathematical proficiency.

Gateway Unified School District (GUSD) held a public hearing in the beginning of the year and determined that each school within GUSD has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California.

All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and, when appropriate, to take home. All textbooks and instructional materials used within the District are aligned with the California State Content Standards and Frameworks and have been approved by the Board of Education.

## School Facility Conditions and Planned Improvements

The Gateway CDS program is housed at Toyon Learning Center, along with Mountain Lakes High School. This former elementary school site was completely modernized during the 2003-04 school year. Renovations included classrooms, school office, and media center along with a new roof and heating/central air unit. The plumbing, electrical, and technology infrastructure was also updated.

To ensure student safety, supervision is provided on campus at all times. Since the school is so small, the teachers supervise students at all times. All visitors to the campus must sign in and out at the office.

**Cleaning Process:** Gateway Community Day School provides a safe and clean environment for students, staff, and volunteers. The District governing board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District office for review. A joint effort between students and staff helps keep the campus clean and litter free.

**Maintenance and Repair:** The school site custodial staff administers a scheduled maintenance program. The principal works daily with the custodial staff of three to develop cleaning schedules that ensure a clean and safe school.

Additionally, an operations and maintenance program is administered by GUSD to ensure proper care, protection, and improvement for all classrooms and facilities. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	0	11	32	35	47	46
<b>Mathematics</b> (grades 3-8 and 11)	0	11	25	25	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 School Safety Plan

Gateway Community Day School's Site Safety Plan is updated annually by the Site Safety Committee and covers various safety issues including campus supervision, disaster kits, and emergency procedures. The Safety Plan was last reviewed and discussed with staff in November 2023.

The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and State earthquake standards. The schools' disaster preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire, earthquake, and lockdown drills are held regularly throughout the year.

## Fiscal Year 2022-23 Types of Services Funded

School sites that receive Title I funding provide instructional coaching support for improvements in classroom instruction. These funds are also used for additional teacher and paraprofessional support for students that are 'at-risk' in areas of Reading and Math. Title II funding provides additional instructional coaching support for schools not receiving Title I funds.

The LEA uses LCAP supplemental/concentration funding to increase and improve services at all sites for students needing academic and/or behavioral interventions. Behavior paraprofessionals, counselors, a district reading specialist, an instructional technology coach and additional special education staff work with, and support teachers and administrators to improve the behaviors and address the academic concerns of the 'at-risk' students and students with disabilities.

LCAP funding is also used to support the English Learner program. Title VII and state grant funds are used to support the Indian Education program.
