

Get Started Parent/Guardian Access

PARENT

Parents can view their student's classes in Canvas to view grades, assignment information, announcements, and more as Observers via our Canvas sign-in page and mobile apps available from the Apple App Store and Google Play.

Guardian accounts are automatically created using the information in Skyward Qmlative. If you had an account before June 2024, you can continue to access it as you did before.

Parents and guardians accessing for the first time after June 2024 must create passwords for their accounts.

To create a password on a **phone or tablet**, [click here](#).

To create a password on a **PC, Laptop or Chromebook**:

- Go to <https://nthurston.instructure.com/login/canvas>
- Click the "Forgot Password?" link.
- Enter the email address you have registered in Skyward Qmlativ.
- Check that email account for a message containing a link to set your password

Mobile Parent Apps

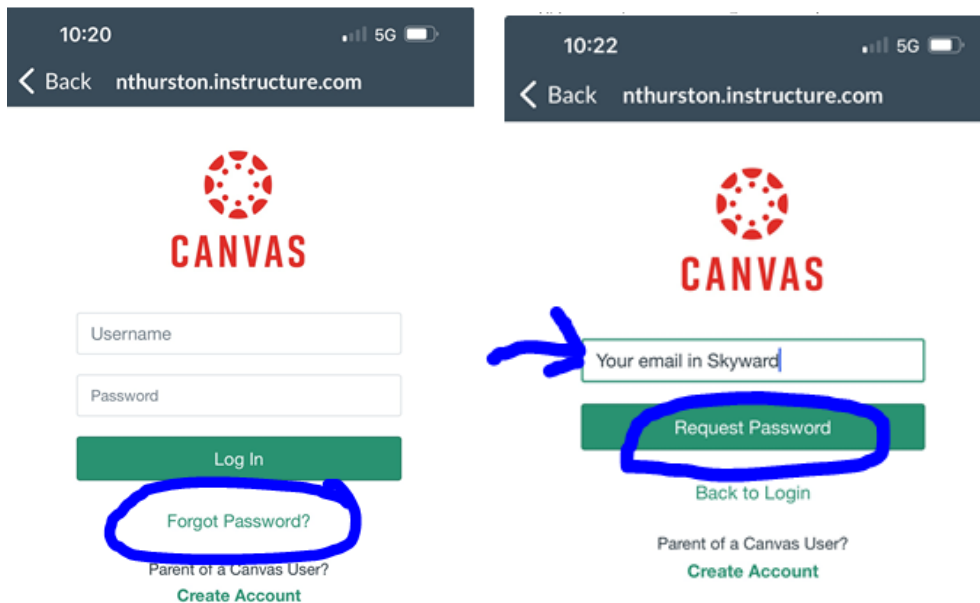

The Canvas Parent app is the mobile version of Canvas that helps parents stay up-to-date with their student's courses. Download the Canvas Parent app on Android and iOS devices.

First-time users can set up their password in the app:

- Locate our Canvas entity

- Click **Forgot Password?** then enter the email address associated with your Skyward account.

- Check that email account for a message containing a link to set your password.
