## School Description

Ella Baker Elementary sits nestled in the woods of the Redmond Ridge East neighborhood in Redmond, Washington. This neighborhood is home to the majority of our 468 students who attend Ella Baker Elementary. Also included in our student body are approximately 90 students in three classrooms who participate in the Quest (HiCap) program each day. The students from Ella Baker Elementary will attend Timberline Middle School and then progress to Redmond High School.

Ella Baker students bring a rich diversity of cultural backgrounds. At Ella Baker we celebrate this diversity and the individual uniqueness of each of our students. We intentionally focus on teaching students the Lake Washington Interdisciplinary Life Skills and Attributes through the "Baker Eight Traits" which include: Grit, Empathy, Self-Control, Embracing Diversity, Curiosity, Gratitude, Optimism, and Integrity. These traits applied in the classroom, on the playground, and in the community, prepare our students to be Changemakers - today and in the future. We believe in the success of every student at Ella Baker Elementary. We actively support each learner's journey with classrooms that are relevant and engaging, programs of enrichment and additional support, mindfulness to social-emotional needs, and a schoolwide positive behavior support system.

Service-learning and integrated units of study are an effective way for our students to apply their classroom learning in a real-world setting. The units of study help our staff and students focus on the six C's: Content, Citizenship, Character, Critical Thinking, Communication and Collaboration skills.
