## School Description

Clara Barton Elementary sits proudly on the top of Education Hill in the North Redmond region of Redmond, Washington. The majority of our 610 students live in the neighborhood surrounding Clara Barton Elementary. Within the school community, there are approximately 75 students in the three classrooms who are a part of the Quest (Highly Capable) program. The students from Clara Barton Elementary will attend Redmond Middle School, before progressing to Redmond High School. Clara Barton is truly enhanced by its wonderfully diverse group of students, bringing rich knowledge and experiences from many cultural backgrounds. Most of our students come from homes where English wasn't the first language learned and as a result, more than 20% of our learners receive extra support as English Learners.

Clara Barton Elementary is a school which reflects and represents our community's values: student success in both academics and the development of social-emotional skills. Our dedicated and innovative staff provide a high-quality education that meets the needs of our wonderfully diverse community. Our school is focused on providing academic rigor and regular instruction in social-emotional skills for every student.
