## 2022-23 School Goals

Academic goals were determined from an in-depth building-wide analysis process.

- **English Language Arts/Literacy - General Reading and Phonemic Awareness:** 90% of Bell students grade 2-5 will be categorized at the minimal and/or limited risk based on the end of year literacy screening scores measured by the FastBridge assessment aReading tool which measures reading skills, including phonemic awareness, phonics, fluency, vocabulary, and comprehension.
- **Mathematics – Concepts and Procedures:** Student understanding and mastery related to Pattern Relationships, Pattern Analysis, and Pattern Generation will be above the proficiency standard and perform equal or better than the rest of the test, as demonstrated by grade 4-5 scores at or above standard on all the Math Standards assessed on their Semester 2 report card.
- **Social and Emotional – Resilience and Emotional Regulation:** Increase the percent of Bell 3-5 graders who report having control of their emotions and the ability to pull themselves out of a bad mood from 51% to 70%, as measured by the Panorama survey
- **Clear and Shared Focus: Bell is dedicated to the success, academically and social/emotionally, of every student.** As measured by the 9 characteristics survey, 85% of staff will agree “completely” or “mostly” that Bell has a clear and shared focus.
