School Description

As you approach the front of our school, you will see a beautiful, colorful student-created mural depicting the sights and unique characteristics of our great Puget Sound region. At the center of this mural is a simple schoolhouse.

School is the center of the Blackwell community. Elizabeth Blackwell Elementary is located on the northern edge of the Sammamish Plateau. Situated in the Timberline neighborhood, we serve students from along Lake Sammamish to the west and the Sahalee neighborhood on the east. Our students move to Inglewood Middle School before entering Eastlake High School.

Our school hosts both K-5 general education and highly capable classrooms. The Lake Washington School District's Strategic Plan is to elevate our practices to provide learning environments in which connection, value and challenge are part of each student's educational experience. We strive to provide integrated, differentiated learning experiences for students. We get to know each student on an individual basis to address individual needs. We strive to engage students actively in their learning in classrooms where every student knows they are safe and respected.
