School Description

Helen Keller Elementary School is a K-5 school located in Kirkland WA, nestled into a well-established neighborhood in the Juanita region. Students who attend Helen Keller move on to Kamiakin Middle School and graduate from Juanita High School. Our core values can be summarized with the acronym GRIP: Growth: developing intellectual abilities and social skills; Respect: treating others how you would like to be treated; Integrity: striving to make the right choices Perseverance: working hard and trying your best. We continue to see great strides toward progress and are confident that scores will increase as we continue working as a PLC and focus on the outcomes provided through the SBA interims, progress monitors, and end of year assessments.

Helen Keller has a wonderful staff who use research-based practices mixed with fresh ideas. All our educators work in collaborative teams, meeting weekly to develop common assessments, align curriculum, evaluate instructional strategies, and review and respond to student common assessment data.
