Building Budget for this school: \$62,702

School Description

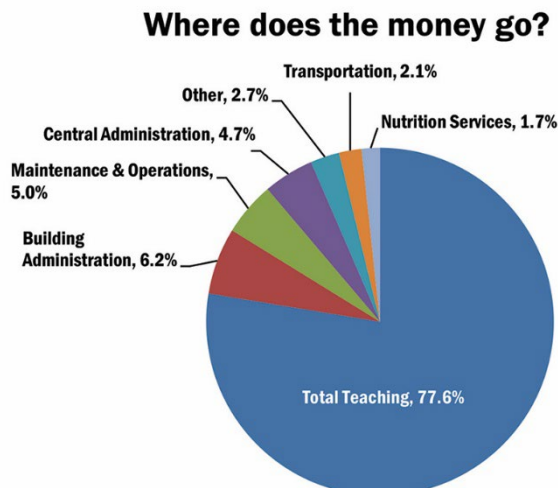

Above the main entrance to Wilder is a beautiful stained-glass window, which incorporates color and design with our school mission statement: Every Learner a Powerful Mathematician, Effective Writer, Responsible Citizen and Confident Reader. As a staff, we feel our mission helps us to do our part in accomplishing both the Lake Washington School District Mission "Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society" and the Lake Washington School Vision: "Every student will be Future Ready: Prepared for College, prepared for the Global Workplace, Prepared for Personal Success."

The Lake Washington School District student profile calls on us as educators to provide learning environments in which Connection, Value and Challenge are part of a student's educational experience. For us, this means we strive to provide integrated learning experiences for students and get to know each student on an individual basis. We strive to actively engage students in their learning in classrooms where every student knows they are safe and respected. We teach a rigorous curriculum in which students know what is expected.

PTSA enrichment programs continue to compliment the work of our teachers.

2022-23 District Expenditures

Where does the money go?

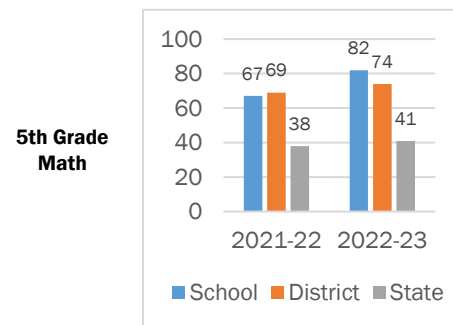

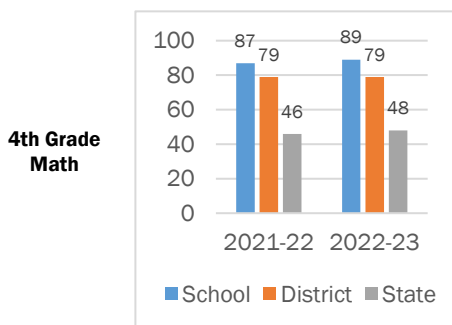

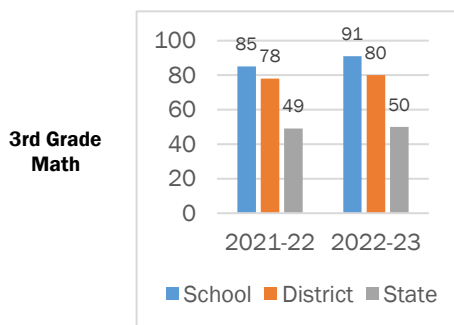

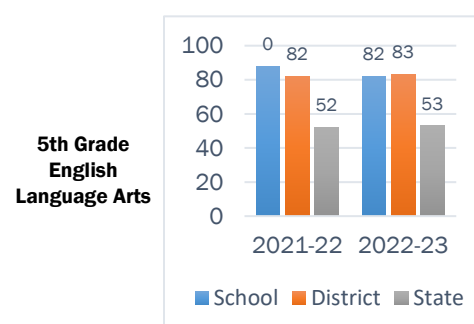

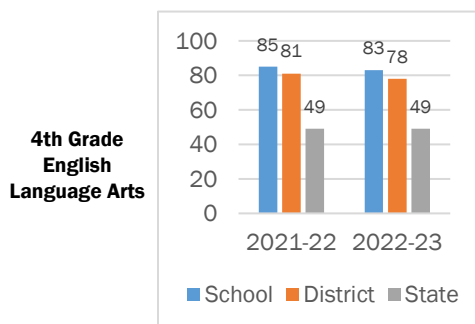

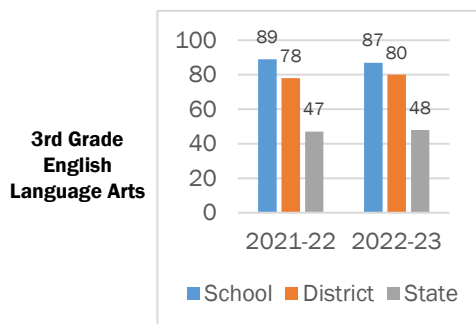

2022-23 School Goals

Teachers examined assessment data to determine school goals. Teachers met to discuss strategies to be used to increase performance in academic areas. Goals are monitored regularly.

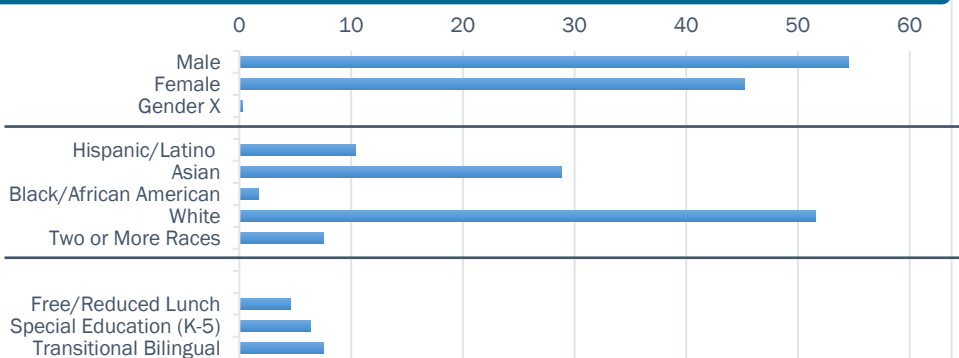

- Grades K-2 Reading: 85% of students at standard on the end of year Fastbridge Assessment.
- Grades 3-5 Math: 95% of students will be proficient in math automaticity as measured by the spring 2022 Fastbridge Assessment.
- K-5 Social & Emotional Learning: 90% of all students will report a decrease in challenging feelings, and increase in positive feelings, and feel safe at school as measured by the spring 2022 Panorama Survey.

Student Demographics

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Fair

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Invitation to Participate

Community Engagement is one of Lake Washington School District's strategic plan goals. We welcome and appreciate the involvement of families and community members in our school. Please contact our school office if you want to join us and help make a difference for our students.
