Rules & Regulation:

- Parking Permit fees for the 2024-25 school year will be \$30.
- Once a student receives a Parking Permit it now becomes the student's responsibility to arrive at school on time. The attendance office will not excuse students who arrive late due to transportation related excuses.
- The speed limit on school district property is 15 mph. Speeding and/or reckless operation of a vehicle will result in disciplinary and/or police action.
- Buses have the right-of-way. Use extreme caution around school buses. Students should enter and exit the school through the Route 44 entrance.
- Drivers are to park properly, one space per vehicle, between the designated lines. Drivers are not to park in handicapped or visitor spots.
- Students should park, lock their vehicles, and go directly into the building—loitering in parking lots is prohibited.
- Neither Crestwood High School nor Crestwood Local School District will be responsible for any damage or loss incurred while student vehicles are parked in the student parking lots. Lock your vehicle.
- Vehicles may be searched by school officials.
- During the school day, a student is not permitted to return to his/her car unless he/she has permission from the assistant principal.
- Parking permits are non-transferable. Only a student who is registered and places the permit on the bottom left section of the driver's side windshield will be permitted to park in the designated student lots. All others will be told to leave the grounds and return without the car. Any missed school time will be considered as unexcused. Student cars are not to be parked in any other area of the campus or grounds—including grassy areas. Students who park in the faculty lot will have their parking privileges suspended. All student parking will be in the front of the 7-12 High School Campus only.
- Random drug screenings will occur and driving privileges may be revoked if a student tests positive for drugs and/or alcohol.
