

Parking Permits are \$15. By issuance of this permit, neither the school nor the Williamson County School Board assumes any liability for any property damage to any private motor vehicle, or items of personal property left in/on them, including parking permits, while the motor vehicle is parked or operated on school property. The owner/operator(s) of all private motor vehicles accept responsibility for their own property and agree that they are parking at their own risk. Students are reminded that driving to school is a **privilege**, not a right.

Also, **previous drivers** and **parents** will be required to sign a Student-Parent Safe Driving Agreement that discourages distracting behaviors while driving and reduces the risk of accidents.

The following rules apply to the parking lot and student driving:

- All students must register their cars. Students must complete a parking permit application and pay the appropriate parking fee.
- Sale or transfer of permits between students is prohibited.
- Cars may be parked only in the designated student parking areas.
- Parking lot speed limit of 10 mph is strictly enforced.
- **Students are not allowed to go to their cars during school hours.**
- Students who leave campus without the school's permission will be subject to the loss of parking privileges, whether driving a vehicle or not.
- Parking violations, such as parking in faculty spaces, parking in a prohibited area, speeding, or going the wrong way on a one-way street, will result in the loss of the parking permit.
- Vehicles without permits that are parked in the student or faculty spaces will be towed at owners' expense.
- Upon arrival to school, students are to exit their vehicles immediately and move into the building. Students are not to loiter in cars or the parking lot before or after school.
- Neither the school nor any staff member will be responsible for any damage to car locks or batteries if a request for help is made by the student or parents.
- Students who drive to school and park on school property agree to the search of their vehicles by administrators who have "reasonable suspicion" that the student's car contains drugs, alcohol, weapons, or other items not permissible at school.
- Students providing their own transportation are expected to be on time. Habitual tardiness will result in loss of driving privileges.

Protect your property. **LOCK YOUR VEHICLE.**

Student: I have read and understand the parking regulations above and will follow these rules.
