Dear Parents/Guardians and Families of East High School:

Welcome to the 2023-24 school year! We are excited to begin the school year with all of our students and families. As we complete summer school and begin sports and activities, the staff is preparing for an awesome year of working for our students and families. Students can still reach out and participate in several co-curricular offerings, both athletic and non-athletic. Go to our website and check out what is available. We hope that you encourage your child to engage in a new experience or continue in what they have done in the past. It has been shown that the more involved a student is with their school, the greater their academic and personal successes throughout their life.

Please feel free to contact our administrative team and/or Student Services if you have any questions or concerns about your child. We will also continue to communicate regularly with our families using Messenger to the guardian e-mail addresses.

- Freshman only will begin school on **Tuesday, September 5, at 7:30 a.m**. Grades 10-11-12 will start in person on **Wednesday, September 6 at 7:30 a.m**. Upper classmen should check out their Google Classrooms on September 5.

- We continue to use the automated calling and notification system for attendance and announcements. **Please, it is important that you update your phone number and e-mail address using the IC Portal** so you will not miss out on important notifications.

- **Infinite Campus (IC) Parent Portal** allows parents/guardians to have access to your student(s) grades, attendance, report cards, lunch accounts, and much more. Please add this to your favorites on your computer and/or smart phone.

- Keep the East High website, **www.greenbayeasthighschool.com**, as one of your favorites**.** Our website has all the links that you need to stay up-to-date with parent newsletters, staff directory, IC, school calendar, and much more. Check us out also on Facebook and Twitter.

As we begin this school year, I wish everyone the best for the upcoming school year as we keep the tradition and history of East High growing. We look forward to engaging with our students and making this a great year for staff and students at East High School.

Sincerely,

Lori Frerk
