To All Families of K-8 and 9-12 Transportation Students,

Please note ~ in order to be eligible for a babysitter location/alternate bus stop you must live in the area that receives transportation.

In accordance with administrative regulations relative to alternate bus stops, Board Policy #810, requests may be approved for before school and after school care for grades Kindergarten through 8th grade. There are guidelines we must enforce to keep this convenience available for parents.

- A 'Request to Provide Transportation To/From Babysitting Location' form **must be completed each year.** The request should be submitted by July 31st. If the request is not received by this date, there is no guarantee that the district will be able to accommodate the request for the first day of school.

Changes to the Transportation Guidelines

Grades K-8:

Students will have one designated morning pick-up stop (home or babysitter) and one designated afternoon drop-off stop (home or babysitter). The pick-up location may be different from the drop-off location; however, the pick-up and drop-off locations must be consistent each day for the entire school year. Requests for permanent bus stop changes must be submitted in writing at least three (3) business days prior to the date of the requested change.

If a parent/guardian is requesting the district to transport his/her child from/to a babysitter stop in the morning and/or afternoon, the parent/guardian must designate the babysitter stop as the one specific morning pick-up and/or afternoon drop off point. The child's home stop is then eliminated and replaced by the babysitter stop. The babysitter stop must be an existing stop along the established bus route, and must be in the correct attendance boundaries of the school to which the child is enrolled.

Emergency requests may be accepted for a limited number of reasons. Requests should be in writing and be made as early as possible. If an emergency request is made, parents/guardians will be expected to relate details of the emergency to the building principal. If approved, the student will be issued an emergency bus pass if seats are available on the bus. The driver will not accept a note from the parent. A record of emergency requests will be kept for each student. If requests become frequent, the parent/guardian will be notified that future requests will be denied.

Acceptable reasons for emergency requests may include death in the family, medical emergency, or that the student's parents are out of town. Unacceptable reasons may include spending an evening at a friend's house, going to a dance, play dates, or to complete school projects/ homework with classmates.

Grades 9-12:

Students will have a home stop only. Requests for an exception to the home stop will be for emergency purposes only.
