# 2024-2025 AFTER CARE ENROLLMENT

At the Y's after school program, kids can get homework help and participate in fun, enriching activities that will ensure school days end with a smile. With a focus on social growth and academic achievement, the Y will help every child find where they belong and kids will learn and play together turning classmates into friends.

The Y and Elizabeth City-Pasquotank Public Schools want to ensure children have access to safe, affordable after school care. We are partnering for the 2024/2025 school year to offer care onsite at Central, JC Sawyer, Northside, Sheep-Harney, and Weeksville Elementary Schools from dismissal to 6pm. River Road and Elizabeth City Middle Schools may enroll in after care which will be delivered at a nearby Elementary School location.

The Y offers income-based financial assistance through its Open Doors program. Families may apply for a reduced rate at [ymcashr.org/open-doors](http://ymcashr.org/open-doors)

## ENROLL BY JULY 26\*

\$79/week for Y members • \$105/week regular rate (non-Y members)  
Plus, save 10% on a sibling enrollment!

\* Each school site must meet the minimum enrollment for care to be provided on-site for the 2024/2025 school year

**ENROLL TODAY!**
