

My Ride K-12 Video Transcript

Introduction

welcome to the Central Dauphin School District My Ride K-12 app demonstration video. This video will show you how to register your student in the MyRide K-12 app that will give you your students' bus information including bus number bus stop location and pickup and drop off.

Download My Ride K 12 App

The first step is to visit the App Store on your smartphone and download the my ride K12 app.

Users of the Ride 360 app will be linked to Central Dauphin in the new app.

Add Student

Now that you have downloaded the App, log in with your email and password click on ADD student and enter your student ID number. Your student ID number can be accessed from last year's report card, the K12 payment center for school lunches, IEP paperwork, and Home Access Center or HAC. If you're still having difficulties locating your students' ID number, please call the school directly.

Press "add student". At this point, you can add additional students with your student's ID, then confirm the address and information. Press the share icon to add additional emails for Guardians.

To view the transportation information press the map icon. To view student busing information, the information panel gives bus number, scheduled days of the week, location, and time window for pickup. Scroll down to find the drop off bus number, days, time, and location.

Press the details button to see your student information as well as the schedule. This schedule view will show you completed bus runs as well as upcoming trips.
