

DIVING DEEPER WITH GEORGIA'S NEW K-12 ELA STANDARDS 2024-2025 SERIES

Domain Focus: **Foundations**

Following the success of Metro RESA's Mathematics Diving Deeper Series, the MRESA ELA Team is rolling out a similar series for K-12 English Language Arts educators. Each separate training session will focus on a domain of the new K-12 English Language Arts Standards for the state of Georgia. Participants will have opportunities to collaborate and deepen their understanding of the **Big Ideas, Standards, and Expectations** for each domain.

The **Foundations** workshop sessions will address the **Foundations Domain** which focuses on building a foundation for achieving dynamic literacy practices to aid reading comprehension. *Participants should select only one date for this domain.*
