## School Description

Evergreen Middle School is committed to developing the whole child through our focus on academics, athletics, activities and the arts. Our staff create a warm, safe, caring learning environment concentrated on the needs of all learners. Because students feel safe when they come to Evergreen, they feel empowered to challenge themselves in their learning. We are committed to doing whatever it takes for our students to achieve academic success and have created multiple intervention and enrichment opportunities to meet the individual needs of our students.

In addition to our focus on academics, we place an emphasis on involvement in the arts, athletics, and after-school clubs and activities. These opportunities create different connecting points for students in terms of social, emotional, and behavioral maturation and provide a foundation for their academic success.
