

INSPIRATION

from County Superintendent, Ted Alejandre

[Please Click Here to View Video Message](#)

As summer draws closer, it's time to celebrate all the incredible accomplishments our students, educators and schools have achieved throughout this year.

SBCSS is proud to support inclusive events for students, recognize community partners who are helping to change the tide for our youth and highlight the outstanding work being done by schools across San Bernardino County.

[Please view my video message](#) that captures special events that have taken place across our county and read additional highlights below.

By cultivating strong relationships with the people and communities we serve, SBCSS is helping to transform lives through education.

In partnership,

Ted Alejandre
County Superintendent

The Newsroom

Celebrating Expanded Learning Champions

SBCSS was thrilled to celebrate the inaugural expanded learning award ceremony. The event promotes Expanded Learning by recognizing the dedication of individuals who have made a positive impact in our county.

Through the hard work of our Expanded Learning Champions, we're able to offer students throughout the county engaging, high-quality before school, after school, summer and intersession programs which support student achievement. In these spaces, students can focus on and develop their academic, social, emotional, physical needs and interests.

Representatives from 11 of our 33 districts were honored during this month's award ceremony.

Hundreds of AVID High School Seniors Recognized

SBCSS recognized hundreds of graduating seniors who participated in the RIMS (Riverside, Inyo, Mono and San Bernardino Counties) AVID (Advancement Via Individual Determination) program. These students dedicated four to seven years to the AVID program and their commitment was rewarded.

At a ceremony that took place on May 13, more than 120 students were bestowed scholarships from several universities that included those in our local area - California State University, San Bernardino and University of California, Riverside.

Of the 27 AVID National Demonstration Schools in RIMS, 11 can be found in San Bernardino. Congratulations to the students celebrated this year for participating in AVID which is proving to transform lives through education.

Celebrating Aspiring Teachers

Nearly 30 teacher induction candidates and their coaches came together to celebrate the rigorous, yet rewarding journey to obtain their full teaching credential. The two-year induction program aims to prepare educators to facilitate equitable, student-centered learning in the classroom.

Candidates were paired with 15 outstanding coaches who have mentored each aspiring educator. Without the support of our incredible coaches, this type of program would not be possible. SBCSS is proud to encourage our future teachers as they navigate the credentialing process and become inspiring educators.
