Residency Verification

In February 2015, the district revised its School Admission Policy (JBC) for Residence Verification. The policy no longer requires families to complete an Affidavit of Residence for every year of student enrollment, but instead provide two proofs of residence from the district approved list below upon initial enrollment into Fulton County Schools and upon entry into Kindergarten, 6th grade, 9th grade, 10th grade, and when there is any address change. To constitute an eligible dwelling for enrollment, the dwelling must be the actual permanent place of residence of the student and must be the home of the student's family or legal guardian.

How Do We Verify Residence?

Three documents must contain parent/guardian's name and current address.

1. Photo Identification of the parent/guardian
