Half: \$2650 - 11 days (\$240.95/day)

Summer school pay with absences for Administration:

Each absence will reduce your pay at a daily rate of \$240.95

Classified

Classified employees will use the time clock program and be paid the corresponding hourly rate from the school term that just ended appropriate to the position for the hours they clock.

In most cases, this will be the hourly rate paid during the regular school term that just ended.

In some cases, a classified staff member will work in a new department/position that will warrant them a different hourly rate.
