## **WELCOME TO CCMS**

To: Students

The policies and procedures contained in this handbook have been designed to help you have a successful school year at CCMS. The information has been carefully prepared so that it will assist you in adjusting and becoming an integral part of the school. Throughout the handbook you will find important information about the school's activities, programs, and policies. We hope you will share with us the pride and spirit we feel for our school and together we can make this school year the best ever. Remember that your school success is directly related to your efforts and attitude, so practice our school wide expectations.

### **To: Parents**

Our major goal is to prepare middle school students to become productive and responsible citizens in their communities, now as well as later in life. We believe that education is a cooperative effort among the home, school, and community. We can be successful only through working together. Please become involved with your child's studies, teachers, friends, and activities. Parent-teacher conferences are encouraged and welcomed. If you would like to schedule an additional conference, please call the principal or assistant principal to make an appointment. Remember, this is a time of great change for your child socially, educationally, and physically. We recognize the need for family involvement within the middle school setting. Studies have shown that when parents increase their involvement in middle level schools, students actually achieve more, like school more, and have better internal family relationships!

House Bill 91:

Kentucky House Bill 91, sometimes referred to as the "Golden Rule Bill" or the Bullying Bill," was enacted during the 2008 legislative session. Through the provisions of HB 91, it will be possible for school and district employees to report serious safe-school incidents, including bullying (rising to the level of a felony offense), to the principal so that quick and effective actions can take place to ensure the safety and well-being of all students.

### **Specific school requirements for completion for HB 91 include the following:**

All school employees shall be informed of the requirements of the code as well as receive any necessary training. If encountered, any school employee shall report to the principal any suspected felony offense listed below. If the principal is in doubt if the offense under consideration is a felony, he/she will consult with local law enforcement and the school board attorney. Within 48 hours, the principal will file a written report to the local board of education through the superintendent. If when investigating the principal finds evidence of a felony offense, ONE of the following will be contacted: a local law enforcement agency, the Kentucky State Police or the county attorney. (If a principal does not find evidence of a felony offense, he/she does not have to file a report to the agencies listed.) The principal will notify parents or guardians of the alleged victim and alleged perpetrator. Law enforcement agencies receiving the principal's report will conduct an

investigation. In order to effectively participate in the democratic process as adults, students must learn to respect the rights of others and to interact with them in a civil manner. Therefore, students are required to speak and behave in a civil manner towards students, staff, and visitors to the schools.

### **Actions Not Tolerated**

The use of lewd, profane or vulgar language is prohibited. In addition, students shall not engage in behaviors such as hazing, bullying, menacing, taunting, intimidating, verbal or physical abuse of others, or other threatening behavior. These provisions shall not be interpreted to prohibit civil exchange of opinions or debate protected under the state or federal constitutions where the opinion expressed does not otherwise materially or substantially disrupt the educational process or intrude upon the rights of others. Students who violate this policy shall be subject to appropriate disciplinary actions.

### **Reports**

As provided in the District Code of Acceptable Behavior and Discipline, students that believe they are victims of bullying/hazing shall be provided with a process to enable them to report such incidents to District personnel for appropriate action.

#### **Other Claims**

### **DUE PROCESS**

In the event of disciplinary action, the fundamental criteria at Cumberland County Middle School are fairness and action beneficial to the student. Students will have any accusations as well as the consequences explained to them. Students will be heard. One of the fundamental elements of due process is informing students of rules and that violation of these rules may result in disciplinary action. Reading and discussion of this handbook can prevent discipline problems. It is a basic belief of CCMS that discipline problems should be prevented. Parents /Guardians and the school can work together when there is a discipline problem, and care will be taken to protect the rights of students.

### **COMMUNICATION PROCEDURES**

An open line of communication between the home and school is extremely important. Questions, problems, or concerns related to the school operation and /or this handbook should be directed to the school principal or assistant principal. The administration will be happy to respond to your inquiry and assist you with circumstances not covered within this handbook.

### **LIBRARY BOOKS, TECHNOLOGY, TEXTBOOKS, AND SCHOOL PROPERTY**

The Cumberland County School System furnishes textbooks/chromebooks and provides library books for all middle school students to use during the year. These resources are the responsibility of each student and if any are damaged or lost, the student will be expected to pay for the resource. Any student who damages school property or equipment will be responsible for payment.

### **TELEPHONE**

The school telephone is a business phone and is to be used for that purpose or for emergencies. NO student will be allowed to use the phone unless given permission by school personnel. Students should have a hall pass signed by a teacher stating the need for use of the office phone. Student use of the phones in the classroom will be left to the

discretion of the teacher. PLEASE NOTE: PHONE MESSAGES TO STUDENTS WILL NOT BE DELIVERED UNTIL AFTER 2:00 PM EACH DAY. A STUDENT WILL NOT BE TAKEN OUT OF CLASS FOR A CALL.

### **CCMS ATTENDANCE POLICY**

All students are required to attend school regularly, punctually, and to conform to the rules and regulations of the school, county board of education, and the Kentucky school laws. Regular attendance is an important factor in establishing a good scholastic record. Attendance is the joint responsibility of the parent and student. After an absence you must submit an excuse that has been prepared by the parent/guardian or a health official, explaining the nature of the absence. Failure to return an excuse within three days will result in the absence being counted as unexcused. Students are allowed six days of parental excuses. An excuse for a tardy (coming in late or leaving early) should be brought in by the student. The excuse will be kept in an attendance folder located in the office for the remainder of the year. Each day a student is absent, the school will make a contact via telephone call to the parent/guardian. ***Please note that only six parent excuses will be allowed during the school year, three per semester.***

### **PERFECT ATTENDANCE**

To receive perfect attendance recognition at the end of the year, a student must be at school by 7:35 am and remain in school all day until 2:40 pm.

### **MAKEUP WORK**

It is the responsibility of the student and teacher to correlate all work to be made up as a result of absences. In the event that a student is absent they may access any missed work on Google Classroom as well as links to the work will be provided in teacher lesson plans on the school website. Students and parents may also correspond with the teacher about work using the Parent Square text message feature.

### **TRUANCY**

Any student who has been absent from school without a valid excuse for two (2) days or tardy two (2) days or more is considered a truant. Entering school late, without an excuse, is disruptive to the classroom and also has an adverse effect on the educational process. Any student arriving after 7:35 AM or leaving before 2:40 PM must report to the office to sign in/out on the appropriate school form. ABSENTEEISM is a very serious matter for students and should receive prompt correction and attention. Suspensions will be considered unexcused absences. Therefore, absences due to suspensions will accrue toward truant status.

### **GRIEVANCES**

If the student, parent, or legal guardian is not satisfied with the findings of the CCMS Site-Based Committee, they have the right to file a written statement requesting hearing before the Central Office Attendance Committee. This committee shall consist of the Superintendent and the Director of Pupil Personnel. The written request for a hearing must be filed within three school days of the date the student received the final decision of the School SBDM Committee.

ANY UNUSUAL CIRCUMSTANCE INVOLVING ABSENCES THAT MIGHT OCCUR SHALL RECEIVE SPECIAL ATTENTION FROM THE PRINCIPAL AND THE ASSISTANT PRINCIPAL. THIS WOULD INCLUDE ANYTHING NOT ADDRESSED IN THE ABOVE ATTENDANCE POLICY.

### **HOMEWORK ASSIGNMENT WHEN ABSENT**

When a student is absent from school and needs his/her homework assignments for the missed days, please telephone the school office in the morning for this request. The teachers will be notified and will arrange to have all assignments and appropriate books together. The assignments may be picked up in the office or will be sent home with another student, if requested. Additionally, students may check Google Classroom to obtain missed work.

The comprehensive guidance programs to assist each individual student achieve his/her highest growth mentally, emotionally, physically, and socially. This goal is attempted in several ways:

1. Having individual conferences whenever a student, teacher, or principal makes a request.

3. Welcoming the opportunity to talk individually with any student, parent or staff member.
4. Making referral to other agencies and programs when necessary.

### **FAMILY RESOURCE/YOUTH SERVICE CENTER**

### **HEALTH SERVICES**

A school nurse is available daily to see individual student referrals as well as administer needed health screenings. The school also works in close cooperation with the Cumberland County Health Department. The students involved will be asked to stay at home until a health official issues a statement that the problem has been resolved.

### **MEDICATIONS**

Students who need to take medications during the school day must bring all medicine to the nurse or front office personnel in the morning where a designated trained staff member will administer it at the correct time. Prescription drugs must be in the original prescription bottle. All medicine that can be taken at home under a parent's supervision should be, (e.g. if the prescribed dosage is four times a day only one dose should be administered at school). All over-the-counter medicine must be kept in the nurse's office and left in the original container. Parents must send a note saying how much over-the-counter medicine they will allow their child to take each day.
