Superintendent
San Elizario ISD
P O Box 920
San Elizario, TX 79849

Dear Superintendent Meza-Chavez:

This letter is to inform San Elizario ISD that the Texas Education Agency (TEA) has approved the 2024-2025 Provisional Designation application for San Elizario Early College High School as a Provisional Early College High School (ECHS).

Provisional Designation is awarded to a campus for a period of one school year, during which time the campus may operate as an ECHS. Provisional Designation is for an ECHS in the first five school years of operation.

Provisional Designation is designed to:

- Provide time for the ECHS to grow cohorts, improve programming, and build strong partnerships.
- Allow the ECHS to demonstrate its ability to fully and appropriately implement its plan in keeping with the requirements of the ECHS Blueprint.
- Allow ECHS to receive technical assistance and participate in the ECHS network.

As a reminder, all ECHS campuses must:

- Enroll historically underserved students, targeting at-risk and economically disadvantaged students.
- Partner with Texas Institutions of Higher Education (IHEs) giving students access to postsecondary education and outcomes.

Thank you for San Elizario ISD's hard work and dedication in providing opportunities for students to accelerate their learning and graduate from high school prepared for the postsecondary path of their choosing.

If you have questions or require additional information from the CCRSM Network, please email ccrsm@tea.texas.gov.

Sincerely,

Mike Morath
Commissioner of Education
