I agree to use electronic resources provided by Cumberland County Schools for school related purposes only. I agree to be respectful of other users, properly care for school equipment, to follow proper guidelines for computer use safety and follow the District Acceptable Use Policy.

I understand that I am responsible for the care of technology assigned to me. This includes taking care of the device to prevent damage, keeping up with the charger given to me at the beginning of the year, reporting any damage or malfunctions immediately, and returning the device in workable condition at the end of the school year.

I understand that if I cause damage to, or lose, my device or any of its associated parts (charger, case, keyboard, etc.) my guardian will be contacted to pay for repairs or replacement parts due to damage that I have caused.
