- Children under the age of 26, regardless of student or marital status

## 100% Participation Requirements

**Employees working 36+ hours per week (90% or more of the full-time equivalent) are required to participate in Self-Insured Schools of California's (SISC) benefits.**

**Employees working 36+ hours a week may decline coverage for the following reasons. Documentation must be provided.**

This option is available to employees enrolled in their spouse's or domestic partner's insurance plan; proof of enrollment must be provided.

WABE is mandatory for employees working 36+ hours per week and decline medical coverage for the reason of being insured under another employer's plan. An employee utilizing WABE must enroll in dental and vision insurance. Employees enrolled in WABE are considered to be SISC members and can access the following services for the 2023-2024 plan year:

- EAP—Employee Assistance Program
- Expert Medical Opinion

# Medical Benefits

## Pre-Tax Payments– Section 125

The employee contribution for health benefits is automatically deducted from your paycheck each month. You are automatically enrolled in the Section 125 plan for health insurance premiums that will allow you to pay your monthly contribution on a pre-tax basis.

Enrollment in the Section 125 plan for health insurance premiums allows employees to pay their premium portion on a pre-tax basis. Enrollment must occur at the same time as enrollment of the health insurance plan and remains in effect for the duration of the Plan Year (October-September). Limited changes during the Plan Year are permitted for qualifying events as described below.

The Section 125 plan will also minimize the impact of your insurance premium deduction on your net take-home pay, and your tax obligation will be slightly reduced because the premium will not be reflected as taxable income. **YOU ARE AUTOMATICALLY ENROLLED IN SECTION 125. TO UNENROLL AND HAVE YOUR HEALTH INSURANCE PREMIUM TAXED, PLEASE CONTACT RISK MANAGEMENT.**

## 75% Medical Premiums

Oxnard School District will reduce an employee's medical premiums by 25%. In order to qualify for the 25% reduction in medical premiums both the employee and employee's spouse/domestic partner must:

Both husband and wife/domestic partners must be:

1. Employees of a participating SISC District; and
2. Both enrolled in each other's SISC medical plan with a composite rate; and
3. Eligible to participate according to SISC Eligibility Guidelines.

Please contact Risk Management to view your specific rates in the ease portal.

## Lifetime Benefits

All certificated retirees are entitled for retiree benefits through SISC, for life. This benefit is regardless if you qualify for the district contribution. You will be responsible for paying the premium directly to SISC if you do not receive a district contribution to cover the monthly premium.

## Medical Insurance Plans

### Anthem Blue Cross PPO Medical Plans

The Anthem Blue Cross Preferred Provider Organization (PPO) plans allow you to direct your own care. If you receive care from a physician who is a member of the PPO network, a greater percentage of the entire cost will be paid by the insurance plan. However, you are not limited to the physicians within the network and you may self-refer to specialists. If you obtain services using a non-network provider, please note that you will be responsible for the difference between the covered amount and the actual charges, and you may be responsible for filing claims.

### Kaiser Permanente HMO Medical Plans

With a Kaiser Permanente Health Maintenance Organization (HMO) plan, you must choose a primary care physician (PCP) or medical group within the HMO network. All of your care must be directed through your PCP or medical group. Any specialty care you need will be coordinated through your PCP and will generally require a referral or authorization. You will receive benefits only if you use the doctors, clinics, and hospitals that belong to the medical group in which you are enrolled, except in the case of an emergency.

## Prescription Drug Coverage

### Anthem Blue Cross Pharmacy Benefits

Navitus Health Solutions is the Pharmacy Benefits Manager (PBM) for our Medical plans. You are urged to use generic drugs when they are available. If you or your physician requests a brand name drug when a generic equivalent is available, you will pay the generic copay plus the difference in cost between the brand name drug and the generic drug. In addition, the difference in cost between the brand name drug and generic drug will not count toward your annual out-of-pocket maximum.

Highlights for prescription drug coverage for Anthem Blue Cross members are located on page 10.

### Kaiser Permanente Pharmacy Benefits

You must obtain covered items at a Plan Pharmacy or through Kaiser Permanente's mail-order service unless you obtain the item as part of covered Emergency Services, Post-Stabilization Care, or Out-of-Area Urgent Care. Please refer the facility directory on Kaiser Permanente's website at [kp.org](http://kp.org) for a list of Plan Pharmacies in your area, except that Plan Pharmacies are subject to change at any time without notice. Mail-order services vary by item and are subject to change at anytime without notice. # Medical Benefits: Tips

## Tips on Getting the Most from Your Health Benefits

### 1 Ask Questions

If you are having a procedure or planning an upcoming procedure, make sure you know how the procedure will be covered and what your out-of-pocket cost will be, if any.

### 2 Utilize Your Free Preventive Care Benefits to Stay Healthy

Preventive care benefits are covered at no charge to you. Regular preventive care can reduce the risk of disease, detect health problems early, protect you from higher costs down the road, and most importantly... potentially save your life! Take advantage of these no cost benefits now to hopefully avoid major illnesses and costs in the future.

### 3 Get the Right Health Care and Save Money

Choosing the right care for your medical situation will help save you money out-of-pocket:

- **Doctor's Office Visit or telemedicine visit:** These are good choices for non-urgent medical issues that don't require a face-to-face visit. Anthem members access telemedicine through MDLive, while Kaiser members have access to free virtual phone and/or video visits.
- **Urgent Care:** This is the best choice for non-life threatening medical issues that require immediate, in-person care when you can't get an appointment for a Doctor's Office Visit.
- **Emergency Room:** You should use the Emergency Room for life threatening emergencies, or for other issues that require immediate medical care outside Urgent Care hours.

### 4 Use Generic Drugs When Available

#### Anthem Blue Cross

The best way to save on prescriptions is to use generic medications as opposed to brand name drugs. When you use generic medications, you will pay the lowest copay (in fact, at Costco, you can obtain many generic drugs for free!)

Generic drug companies do not have to develop a medication from scratch, so the costs are significantly less to bring the drug to the market. Once a generic medication is approved, several companies can produce and sell the drug. This competition helps lower prices. In addition, many generic drugs are well-established, frequently used medications that do not require expensive advertising. Generic drugs must use the same active ingredients as the brand name version of the drug. A generic drug must also meet the same quality and safety standards.

#### Kaiser Permanente

The best way to save on prescriptions is to use generic medications as opposed to brand name drugs. You may request mail-order service by phone, at your next visit or online at [kp.org/rxrefill](http://kp.org/rxrefill) (you can register for a secure account at [kp.org/registernow](http://kp.org/registernow)). Please note not all drugs can be mailed and restrictions and limitations apply.

### 5 Use the Mail-Order Prescription Drug Benefit for Maintenance Medications

If you take medications on a long term basis, the mail order prescription drug benefit can save you money.

# Income Protection Benefits

## Life and AD&D Insurance

### Mutual of Omaha Basic Life and AD&D Insurance

Life insurance protects your family or other beneficiaries in the event of your death while you are still actively employed with the OSD. Accidental Death and Dismemberment (AD&D) coverage provides an additional benefit to your beneficiary if your death is due to a covered accident or injury. Oxnard School District pays for Life and AD&D coverage, offered through Mutual of Omaha, to eligible employees to a maximum benefit of \$10,000. Spouse and Dependent Children for 6 months to 26 years of age have a maximum benefit of \$1,500.

### Mutual of Omaha Voluntary Life and AD&D Insurance

In addition to the district provided Basic Life and AD&D benefits, you may elect to purchase additional Term Life and AD&D insurance at discounted group rates provided by Mutual of Omaha. If elected, you pay for this coverage with after-tax dollars through convenient payroll deductions.

- Employee: You may purchase coverage for yourself in increments of \$10,000 up to a maximum benefit of \$500,000, not to exceed 5 times your annual salary.
- Spouse: If you buy coverage for yourself, you may also purchase coverage for your eligible spouse. Benefits for your spouse are available in increments of \$5,000 up to a maximum benefit of \$250,000, not to exceed 100% of your employee election.
- Child(ren): If you buy coverage for yourself, you may also purchase coverage for your eligible dependent child(ren) in the following amounts: \$10,000.

## Guarantee Issue

Guarantee issue is a pre-approved amount of coverage that does not require you to provide proof of good health, and is available to you during your initial eligibility period (upon hire). Guarantee issue is available in the following amounts:

- Employee: The lesser of 5x your annual salary or \$150,000
- Spouse: \$50,000
- Child(ren): Entire benefit amount

If you are no longer in your initial eligibility period, you may enroll in Voluntary Life and AD&D insurance anytime during the year, as long as you provide proof of good health (evidence of insurability). To provide proof of good health, you will be asked to complete a health questionnaire and are subject to insurance carrier approval. Mutual of Omaha may approve or decline coverage based on a review of your health history.

Oxnard School District has an annual increase period during open enrollment of each year with an effective date of October 1 which allows employees already enrolled in voluntary life insurance to increase an additional \$10,000 for the employee without an EOI. This increase CANNOT BE OVER Guaranteed Issue Amount

## Choosing a Beneficiary

A beneficiary is a person or entity who you designate to receive your death benefits. Choosing a beneficiary and keeping your beneficiary up to date is an essential part of owning life insurance. Please remember to review your beneficiary designation as new situations arise, such as the birth or adoption of a child, marriage, or divorce.

# Tax Savings Benefits

## American Fidelity Flexible Spending Accounts

Flexible Spending Accounts (FSAs) are special tax-advantaged accounts used to pay for eligible out-of-pocket health care and dependent care expenses. If elected, your account(s) will be funded with tax-free dollars using convenient payroll deductions. Only expenses for services incurred during the plan year are eligible for reimbursement from your accounts. If you are using your debit card, you must save your receipts, in case American Fidelity needs a copy for verification. Also, all receipts should be itemized to reflect what product or service was purchased. Credit card receipts are not sufficient per IRS guidelines.

### Health Care Spending Account (HCSA)

This plan is used to pay for expenses not covered under your health plans, such as deductibles, coinsurance, copays and expenses that exceed plan limits. You can also use the HCSA to pay for many over-the-counter drugs and menstrual supplies. Employees may defer up to \$3,050 pre-tax per year.

### Dependent Care Assistance Plan (DCAP)

This plan is used to pay for eligible expenses you incur for child care, or for the care of a disabled dependent, while you work. Employees may defer up to \$5,000 pre-tax per year.

FSAs offer sizable tax advantages. The trade-off is that these accounts are subject to strict IRS regulations, including the use-it-or-lose-it rule. According to this rule, you must forfeit any money left in your account(s) after your expenses for the year have been reimbursed. The IRS does not allow the return of unused account balances at the end of the plan year, and remaining balances cannot be carried forward to a future plan year. We encourage you to plan ahead to make the most of

# Tax Savings Benefits

## Health Savings Accounts

### For 2-Tier HSA \$5,000 Plan Members Only

#### What is an HSA?

A Health Savings Account, also known as an HSA, is a tax savings account that can be funded with tax-exempt dollars by you, a family member or anyone else on your behalf. When you contribute to an HSA, your taxable income is lowered and your take-home pay may increase. Interest and investment earnings on HSA funds are generally tax-free.

You can open up a HSA bank account with any financial institution of your choice. Money from the HSA can help pay for eligible medical expenses not covered by the Anthem or Kaiser Permanente, including the deductible and coinsurance. See [www.irs.gov](http://www.irs.gov) for a full list of eligible expenses. You can only have this account if you are enrolled in a qualified high deductible plan such as Oxnard School District's Anthem 2-Tier HSA \$5,000 Plan.

#### Who's Eligible

You're eligible to open an HSA if:

- You enroll in a qualifying high-deductible health plan such as the 2-Tier HSA \$5,000.
- Your **only** coverage is a high-deductible health plan. If you are covered under your spouse's plan and that plan is not a high-deductible plan, you are not eligible to contribute to an HSA.
- You are not covered by a traditional Health Care Flexible Spending Account (FSA) through your spouse.
- You have not signed up for Medicare coverage.

## HSA Maximum Contributions

In 2023 the maximum HSA contribution is \$3,850. for an individual and \$7,750 for a family. You can contribute an additional \$1,000 if you are age 55+.

#### Important HSA Facts

##### Pay Healthcare Expenses

Each time you have a qualified health expense, you decide whether to:

- Pay out of your pocket and let your HSA grow, earning interest for future eligible expenses (e.g., medical expenses during retirement).
- Use your HSA to pay for eligible medical expenses such as your annual deductible and coinsurance. Your HSA can also help pay for vision care, dental care and prescription drugs. (For a complete list of eligible expenses, visit [www.irs.gov](http://www.irs.gov).)

##### HSA Accounts are Portable

Any money in your HSA that you don't spend rolls over from year to year. If you change jobs, switch to another medical plan or even retire, your HSA and the money in it is yours to keep. You can choose to save it to pay for eligible health care expenses tax-free in retirement.

### Important Note

Separate contribution limits for the 403(b) and 457(b) plans allow you to boost your retirement savings significantly. Key points to consider include:

- The pre-tax options offered under the 403(b) and 457(b) plans help you reduce your taxable income now and pay less in taxes. (You pay taxes on those funds when you withdraw them.)
- When you utilize the Roth option by saving for retirement with after-tax dollars, you will not have to pay Federal income tax on your earnings when you withdraw them. Investment earnings **may** be subject to State income tax.

# Important Information

## The Affordable Care Act and You

The Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been eliminated. However, if you are a taxpayer in California, Massachusetts, New Jersey, Vermont or the District of Columbia, you will be required to have health coverage (unless you qualify for an exemption) or pay a penalty for the 2022 tax year – these states have an individual mandate requirement.

You may consider these options below to satisfy this requirement:

- Enroll in a medical plan offered by the Oxnard School District or another group medical plan meeting the requirements for minimum essential coverage;
- Purchase coverage through a health insurance marketplace;
- Enroll in coverage through a government-sponsored program if eligible.

If you choose to purchase coverage through the marketplace, because Oxnard School District's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you may not be eligible for a subsidy, and you may not see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost, and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.
