2024-25 After School Clubs Preview

Dear Newmark Parents,

We are excited to offer a preview of the **2024-25 After School Clubs and Program** scheduled to begin September 2024.

The Clubs are designed to meet the age interests and needs of all of our students. Activities are offered for 4 sessions, with each session running 6 to 9 weeks in length. During each session, your child will be exposed to a variety of activities tailored to both educational and social experiences. Since Virtual Clubs/Programs have been such a success this past year, we will offer this format for some Clubs/Programs.

For K-8 Students

Session I: Begins week of September 16, 2024

Ends by November 6, 2024
