Wildcat Debate Mini-Camp 2024
Monday August 12th, Wednesday August 13th
& Thursday August 15th, 2024
EHS Lecture Room C
6:00 – 9:00 PM

This summer program is open to all incoming freshmen at Eagan High School as well as any new team members for the 2024 – 2025 school year. This mini-camp will introduce the concepts and practices of competitive interscholastic debate in a relaxed and comfortable atmosphere. Debate is an activity, which students need to experience and be provided in-depth information in order to make an informed decision regarding their participation; as such we have decided that the best way to accomplish this is through participation in a short summer mini-camp. During the mini-camp the prospective student of debate will be introduced to debate by the award winning EHS coaching staff as well as experiencing debate through presentations by the EHS varsity debate captains representing all four current formats of debate which EHS competes in during the debate season. The cost for this mini-camp is \$50.00, which covers all of our expenses in providing lesson materials as well as topic research on the upcoming debate resolutions. If you are interested in participating in our mini-camp please mail the bottom half of this note along with a check made payable to EHS Debate to Chris McDonald, Director of Debate Activities, Summer Debate Mini-Camp, EHS, 4185 Braddock Trail, Eagan, MN 55123-1575 If you have any questions I can be contacted via e-mail at chris.mcdonald@district196.org

Deadline for registering for the Debate Mini-Camp is Monday August 12, 2024

Chris McDonald
