Activities Director report for April 2019

Culbertson Board of Trustees,

Spring activities are in full swing. Elementary/JH track has 40 participants, HS track has 20, and the golf team is composed of 8 participants. The academic/activities banquet date is scheduled for Monday May 20 and will be in the cafeteria. Updated volleyball schedule is enclosed.

Sincerely,

David Solem

Updated April 3, 2019

Mr. Olson
Technology Report
School Board Meeting
April 16, 2019

The process of putting the technology budget together has begun. I will have this ready to present by the May meeting.

I have reached out to a Microsoft rep to discuss moving out of Microsoft Office 2010 to 2019. I will have more information by the board meeting if needed.

A email has been sent out to see which teachers would like to participate in the technology committee meeting to help update the tech plan.

I sent out technology requests for the upcoming school year. They will be due April 17.

Mr. Olson
Principal Report
School Board Meeting
April 16, 2019

The High school prom was held on March 30 at the old armory. 40+ couples were in attendance. It was a great evening for the students. The junior class and Mrs. Lambert did a great job with decorations and organization.

I attended the MASSP meeting in Wolf point on April 9th. Discussion had on teacher recruitment and planning for next year.

Culbertson JH will compete in the Academic Olympics on April 10 in Glasgow. We will send a 5 person team.

HS Music District music festival was held on April 12-13. I will be able to give an update at the board meeting

Mrs. Forbredg has begun SBAC testing and is working her way through the grades.

As of 4-10-19

May 28 th	Culbertson Fire Department Training

B. Other items for your consideration:

1. The Montana Legislature is nearing completion this month. Attached please find a copy of the bills that MTSBA is following.
2. The Title VI (Indian Education) Grant has three parts. Part 1 of the grant was due by March 7th. We utilize these funds to pay for the position that Tessa Rumsey currently holds. I submitted Part 1 of the grant application on February 13th. I will complete Part II on or before April 18th.
3. We are currently advertising for several teacher positions. So far only one applicant for Art and no applicants for anything else. I plan to attend the MSU-Bozeman Teacher Fair on April 24th. Hopefully, I will get a chance to meet more applicants there.
4. I observed a webinar to assist with the completing the Small Rural School Achievement Grant. This is a federal grant that helps us to purchase technology in the form of I pads, chrome books, etc. The grant deadline is April 26th. The SRSA grant was submitted on April 3rd.

If you have any questions, comments, or concerns about any item in this report or on the agenda, please feel free to contact me at any time. I can be reached at 787-6246 (school), 787-5779 (home), 478-3330 (cell), or by email at crowderl@culbertson.k12.mt.us at any time.

BOARD AGENDA FACT SHEET**

MEETING DATE: 4-16-2019

AGENDA ITEM #: 14

AGENDA TITLE: Board Policy 1-04-160 (Possession of Firearms/Weapons on School District Property) – 2nd Reading

SUMMARY: Attached is a copy of the Policy that has been posted for comment since the March 25th Board meeting. To date I have received no comments about the policy.

Adoption of policy requires two readings. At this point the Board can: adopt the policy as posted, or edit the policy and adopt it as edited, table the policy and consider it again at future Board meeting, or chose to disregard the policy all together (table indefinitely).

BOARD ACTION

	Motion	Second	Aye	Nay	Abstain

1-04-160. Possession of Firearms/Weapons on School District Property.

The Gun-Free School Zone Act of 1995 prohibits any individual from knowingly possessing a firearm at a place that the individual knows, or has reasonable cause to believe, is a “school zone”. The term “school zone” means (a) in, or on the grounds of, a public, parochial or private school; or (b) within a distance of 1,000 feet from the grounds of a public, parochial or private school.

Also, for the purposes of this policy, the term “firearm” means (A) any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive; (B) the frame or receiver of any such weapon; (C) any firearm muffler or firearm silencer; or (D) any destructive device pursuant to 18 U.S.C. 921 (4). Such term does not include an antique firearm pursuant to 18 U.S.C. 921 (16).

Montana Code Annotated 45-8-361 (3) (b) states: “the trustees of a district may grant persons and entities advance permission to possess, carry, or store a weapon in a school building.” A “weapon” as defined in 45-8-361 (5) (b), MCA means any type of firearm.

The District Administrator will contact the local city or county governmental agency to see if there are any prohibitions allowing any individual or entities the right to possess/carry or store a weapon in a public building.

The Culbertson School District Board of Trustees, through this policy, may grant persons and entities advanced permission to possess/carry, or store a weapon in a school building for purposes of:

- education
- hunter safety
- school safety

The Culbertson School District prohibits individuals from possessing or carrying firearms on school district property. This prohibition is adopted in accordance with the Gun-Free School Zone Act and Montana Code Section 45-8-361.

An individual or entity wishing to possess/carry or store a weapon in any school building must complete and submit the Culbertson School District Weapon Application form and attach all required documentation. Required documentation will include, but is not limited to, documentation of successful completion of weapon training, satisfactory fingerprint and name-based criminal background check results, and currently held concealed weapon permit that is accepted in accordance with Montana law and regulation. A completed application will serve as the written request to be placed on a school board meeting agenda in accordance with board policy 1420.

The application and all supporting documents are considered public records. The Board will comply with the Montana Open Meeting Laws when considering the application.

1-04-160. Possession of Firearms/Weapons on School District Property. (page 2)

The length of the permission granted will be set by the Board of Trustees and will only be renewed by the vote of the Board of Trustees. There is no on-going expectation for renewal of permission. The permission granted may be revoked by the Board of Trustees at any time.

Adopted:

Culbertson, MT 59218

April 9, 2019

Board of Trustees
Culbertson School
423 1st Ave. W
Culbertson, MT 59218

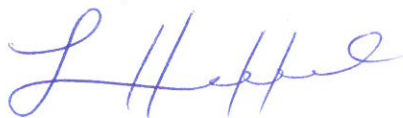

Dear Culbertson School Board of Trustees,

It is with mixed emotions that I submit this letter of resignation from my position as K-12 Music Teacher at Culbertson School. I have accepted an offer from Sidney Public Schools and will begin teaching there in the fall. I am immensely thankful for the opportunity Culbertson has provided me and the connections and memories I've built here. I will step into this new chapter of my career having gained valuable experience from my nine years at Culbertson.

I am grateful to the Culbertson administration for all the ways you have supported me, especially in hiring Mrs. Taberna to alleviate my workload and build the band program into what it has become. I have enjoyed the variety of teaching a K-12 schedule but am looking forward to a change of pace and chance to specialize in a narrower age range and subject area.

I will very much miss the Culbertson students and the high standard to which they hold themselves in their academics and activities. Working with them has been my privilege.

Sincerely,

Lana Hekkel

04/11/19

Dear Culbertson School Board of Trustees,

I am writing to notify you that I will be resigning from my position as 7-8 English and Math Teacher at Culbertson Schools at the conclusion of the 2018-19 school year. I have appreciated and enjoyed my time as an employee here immensely, and did not come to this decision lightly.

Thank you so much for the opportunity to learn and grow in education over the last decade. The administration, staff, and students I have had the opportunity to meet and work with have been exceptional, as has the support and encouragement to continue to develop my professional abilities.

I would like to wish the students, staff, and administration of Culbertson Schools every success in the future.

Sincerely,

A handwritten signature in black ink that reads "Ashley Copple". The signature is fluid and cursive, with the first name "Ashley" and the last name "Copple" clearly distinguishable.

Ashley Copple

3-04-106. Driver Education.

Driver Education will be made available for students during the summer. Classroom space may be limited and will be filled in the following order of preference:

1. Students enrolled at Culbertson Public Schools
2. All other students on a first come-first serve basis

The charge for Driver Education shall be:

\$ 0 per student	if the student takes the course as a class during the regular school year.
\$150 per student	if the student attends Culbertson Public Schools, or if the student lives within the Culbertson School District boundaries, or if the student's parents live within the Culbertson School District boundaries
\$300 per student	if the student does not meet one of the conditions listed above

The Driver Education instruction shall be paid at a rate set by the Board each year.

BOARD AGENDA FACT SHEET**

MEETING DATE: 4-16-2019

AGENDA ITEM #: 23

AGENDA TITLE: Boiler Replacement Project

SUMMARY:

We have received a quote from Sheridan Sheet Metal for the first of a three phase project. The goal at the end of the entire project is to replace the coal boiler and replace the steam lines with hot water lines. The boiler inspector believes that we have about three years or less remaining on our boiler before the rivets begin to give out and the inspector will not allow us to use the boiler. Additionally, the walls of the coal hopper are rusting and getting thin in places.

The first phase of the project is to place a mini propane boiler in the mechanical room by the gym. This will heat the entire north wing of the school, plus the special education/JMG/choir classrooms. Most of this is already hot water with the exception of the steam lines in the special education/JMG/choir classrooms. We should be able to start this phase in July with the new budget year and complete this phase prior to the start of school in August.

Phase II of the project will be in July of 2020, which would place a mini propane boiler to heat the new elementary addition, which is already hot water.

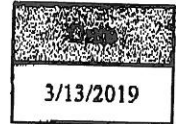

Phase III will be planned for the Summer of 2021 and will be the biggest of the project, as it will require the replacement of the steam lines and registers with hot water in the high school wing and the old elementary classrooms, plus the removal of the Coal Boiler and the current undersized/inefficient backup propane boiler.

POST OFFICE BOX 466 * EAGLE BUTTE, SOUTH DAKOTA 57625 *
tomreevees2132@gmail.com

Dear Mister Crowder,

Thank you for the opportunity to allow my program to work within your school(s). This is a broad overview of what we do, and the program is unique do to the fact that it can be adjusted to fit the individual kids learning style. However, it is the ultimate definition of no child is left behind.

Sincerely,

Tom Reeves

WILD HORSES, BUILDING CHAMPIONS YOUTH PROGRAM

1) HISTORY. Upon my return home to Indian Country, the industry that I loved so much had drastically declined. As ranching and rodeo were nearly extinct; the rate of youth (both Native and Non-Native) attempting to commit, and attempt suicide had drastically increased by 47 percent. The rate of kids dabbling in drug use was even higher and so many kids were dying of overdoses. Something had to be done to redirect these kids into a positive alternative and breathe life into the areas declining agricultural, ranching and rodeo industry. Hence the birth of Wild Horses, Building Champions Youth Program.

2) PROBLEM. Where did we get to the point that kids are not aspiring to be anything, anymore? I hear over and over that, "kids do not have the heart anymore" or "that kids are not like they use to be," I beg to differ. Wild Horses, Building Champions Youth Program does just that it believes so much in children that they, in turn, believe in themselves.

3) SOLUTION. To background the youth in the western lifestyle. a) By giving all participants the necessary resources to be successful. Where their inability to pay doesn't dictate their success. b) That their parents are surrounded with professional support; that shy's away, from political atmospheres that, come with traditional youth programs. A place where "ego's" and "whatever parents have the most resources" do not give the advantage over others.

4) PROGRAM SUCCESS. Since the Spring of 2018, I have brought my program into twenty (20) different tribes. The tribes have endorsed the success of my program. I have worked personally in the last six months with 50 kids. These kids before I got ahold of them had never been on a horse. Also, my numbers with junior boys and girls are extremely high. I work with around twenty - five (25) junior boys and girls. The program sent twenty (20) kids to the Jr World Finals (sixty - five percent (65%)) were native.

5) EARLY METH & SUICIDE PREVENTION. In our meth and suicide early prevention channel of the program we emphasize the equine aspect of agriculture, ranching and use rodeo as a vehicle do so. This gives youth positive alternatives rather than the dark paths that prey upon their vulnerabilities and lead to self-destruction.

6) BRONC RIDING UNIVERSITY. By trade, I have crafted the traditional skill of riding bucking horses into an art form. The program has an outlet to bring any child from the bottom to the top. This also allows young men to use bronc riding as a vehicle to pay for higher education opportunities through scholarships for riding bucking horses.

8) In 2019 the program aspires to bring its bull riding instruction and breeding production to the highest possible standard the industry offers.

7) HORSEMANSHIP. The horse industry is huge and through horses, there are many employment and entrepreneur opportunities. The outlet here gives youth the opportunity to learn trades that will lead to many more things from the Thoroughbred and Quarter Horse Racing Industry to the Grand Prix Jumper Ring, and how to bring a horse from the bottom to the top in these venues. This allows the best horsemen in the world to work with the program's youth giving them an education that would traditionally cost thousands upon, thousands of dollars to acquire.

8) RODEO, RANCHING, AGRICULTURE. The program recognizes the declining ranching and agricultural communities. We use rodeo as an outlet to enhance excitement and desire among the program's youth. In the meantime, this allows us to educate the participants through rodeo to be able to sustain themselves with a livelihood in ranching /agriculture. For example, breeding bucking horses, ranch horses, cattle. The production of rodeo, marketing etc. This will breed new life and sustain and grow the existing industry.

9) WHO IS TOM REEVES? (BIO). Saddle Bronc Riding • Inducted into the ProRodeo Hall of Fame 2008

Tom Reeves was well known throughout his 23-year career in ProRodeo for his classic spurring style, encyclopedic knowledge of bucking stock and a level of consistency nearly unrivaled in the annals of saddle bronc riding. Reeves qualified for the first 18 National Finals Rodeo held in Las Vegas (1985-2002), including a world champion in 2001, at age 37. Only Rod Hay and Billy Etbauer equaled or surpassed his number of NFR qualifications in saddle bronc riding. A two-time national high school champion, Reeves bought his PRCA card at age 17 and made his first NFR appearance at 21. He finished among the top 10 in the world standings 12 times and was six times among the top four. Reeves also earned a silver medallion for finishing second at the 2002 Olympic Command Performance Rodeo in Farmington, Utah, while serving as captain of the United States' championship team. He retired in 2005 with career earnings of \$1,745,962 and turned his attention to stock contracting and coaching rodeo at the college level. Reeves' Wild Card Rodeo Rough Stock, Inc. supplied livestock for high school, college and PRCA rodeos. He coached Ranger College to the College National Finals Rodeo men's title in 2007m just 24 months after he was hired to bring the program back to life at a 23-year hiatus. Reeves received the 2nd annual ProRodeo Hall of Fame Mentoring Award in 2007 for "dedicated leadership in serving youth as a treasured mentor and positive role model."

World Championships: 1 (2001)

Born September 15, 1964, in Eagle Butte, S.D. (ProRodeo Hall Of Fame Website)

Public Comment

(Non-Agenda Items)

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. The Board also recognizes the statutory and constitutional rights of the public to participate in governmental operations. To allow fair and orderly expression of public comments, the Board will permit public participation through oral or written comments during this “public comment” section. Individuals wishing to be heard by the Board shall first be recognized by the Chairperson. Individuals, after identifying themselves, will proceed to make comments within a 3 minute time period. Citizens may comment on items within the jurisdiction of the school board that do not appear on this meeting’s agenda. Citizens may not comment on matters related to student or staff privacy or contested adjudicative matters. The Chairperson may control the comment period to ensure an orderly progression of the meeting and may redirect or terminate an individual’s statement when appropriate, including when statements are out of order, too lengthy, personally directed, abusive, obscene, or irrelevant.

Thank you.
