Technology Report
School Board Meeting
January 12, 2023

The Grant for the Chromebooks is official. Over Christmas break they were ordered.

New smartboard has been installed in Mrs. Nickoloff's room.

I ordered our JAMF subscription to assist in getting iPads to deploy properly.

As of now Windows 10 end of service is Oct 2025. I am working on solutions as most of our computers do not meet the specifications for Windows 11.

BOARD AGENDA FACT SHEET**

MEETING DATE: 1-12-2023

AGENDA ITEM #: 14

AGENDA TITLE: 2022-2023 Board Goals

SUMMARY: Attached please find the top 6 goals from the November Board meeting.

Playground equipment will be addressed later in the agenda.

Top Ten Academically: I would ask the Board to take some time to discuss this topic to help establish what parameters (i.e. the metrics by which we will compare ourselves to other schools like ACT scores or Statewide Testing Scores, what grade levels, etc.) we need to further pursue this goal. This discussion could take place at regular Board meetings or Board Committee meetings. I will begin discussions with the staff to receive their input on the matter, as well.

Family Consumer Science: At the December meeting this matter was referred to the Facility Committee of the Board. I would suggest planning a Facility Committee Meeting in late January or early February.

Complete Strategic Planning: I spoke to Debra Silk, MTSBA, on December 13th. She believes that we can finish up the Strategic Planning process with only one more meeting. I asked if she would be available in January or February. She stated that she will send some tentative options to us and let us pick the date that works best for us. I will let you know when those options are available as soon as I receive them.

Review Language Arts Curriculum: This process is underway with the tentative timeline illustrated on the Goal spreadsheet.

Old Armory Facelift: I am currently seeking quotes for the following upgrades – Storefront (front doors and windows assembly, exterior window replacements, ceiling tiles replacement, upgrade interior lighting, refurbish stage area, refurbish entry area, upgrade propane boilers, crash pads for the base of the stage, and refurbish bathrooms.

Overall, much.....if not all.....of these goals will be dependent on have the financial capability to complete them.
