February AD 2023 Report

Culbertson Board of Trustees,

The 2022-2023 speech and drama team ended another great year of competition with a second place finish at Divisionals in speech. Elementary basketball has also finished. Senior recognition for winter activities was held on February 11. I am still waiting on several confirmations for fall football and volleyball dates, hoping to be done soon. I hope to have the high school track and golf schedules finalized by the first week of March. High school track and golf will begin on March 13.

I have received quotes from Red Rock Sporting Goods in Miles City for football helmets. Please see attached helmet information. I will be present to answer any questions.

High School: 10 Schutt F7 at \$400 each: \$4000

Junior High: 10 Schutt A11 at \$300 each: \$3000, need to replace 10 Rawlins helmets

Sincerely,

David Solem

BOARD AGENDA FACT SHEET**

MEETING DATE: 2-27-2023

AGENDA ITEM #: 14

AGENDA TITLE: 2022-2023 Board Goals

SUMMARY: Attached please find the top 6 goals from the November Board meeting.

Playground equipment has been ordered and will be delivered in late June with installation scheduled for early July.

Top Ten Academically: I would ask the Board to take some time to discuss this topic to help establish what parameters (i.e. the metrics by which we will compare ourselves to other school – like ACT scores or Statewide Testing Scores, what grade levels, etc.) we need to further pursue this goal. This discussion could take place at regular Board meetings or Board Committee meetings.

Family Consumer Science: The Facility Committee met on this matter on February 20th. The placement of the program was discussed. The timeline for implementation was also discussed. Due to financial considerations and the short timeline between now and the start of school in August, it would probably be best to delay this program implementation for one year. Curriculum and class offerings will be discussed in the spring of 2023 until the fall of 2023. Remodeling plans will begin in the fall of 2023. Materials can be ordered in early 2024. Remodeling of the classroom can be completed in the summer of 2024 with classes beginning in the fall of the 2024-2025 school year.

Complete Strategic Planning: I spoke to Debra Silk, MTSBA, a few weeks ago. She is planning to coordinate coming to Culbertson with travel to other districts in March. She stated that she will send some tentative options to us and let us pick the date that works best for us. I will let you know when those options are available as soon as I receive them.

Review Language Arts Curriculum: This process is underway with the tentative timeline illustrated on the Goal spreadsheet.

Old Armory Facelift: I am currently seeking quotes for the following upgrades – Storefront (front doors and windows assembly, exterior window replacements, ceiling tiles replacement, upgrade interior lighting, refurbish stage area, refurbish entry area, upgrade propane boilers, crash pads for the base of the stage, and refurbish bathrooms.

Overall, much.....if not all.....of these goals will be dependent on have the financial capability to complete them.

The Culbertson Education Association would like to thank you for looking at our calendar. We would like you to consider the following additions to the 2023-2024 calendar:

1. A 12 O'clock release time for students at the end of first and second trimesters, which falls on a Friday, to allow teachers time to finish grading and to prepare for the beginning of the next trimester the following Monday.
2. We would like to request a student remote learning day near the beginning of the school year (September 20) to examine what works and does not work to be prepared for an emergent remote day.

Public Comment

(Non-Agenda Items)

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. The Board also recognizes the statutory and constitutional rights of the public to participate in governmental operations. To allow fair and orderly expression of public comments, the Board will permit public participation through oral or written comments during this “public comment” section. Individuals wishing to be heard by the Board shall first be recognized by the Chairperson. Individuals, after identifying themselves, will proceed to make comments within a 3 minute time period. Citizens may comment on items within the jurisdiction of the school board that do not appear on this meeting’s agenda. Citizens may not comment on matters related to student or staff privacy or contested adjudicative matters. The Chairperson may control the comment period to ensure an orderly progression of the meeting and may redirect or terminate an individual’s statement when appropriate, including when statements are out of order, too lengthy, personally directed, abusive, obscene, or irrelevant.

Thank you.
