MEETING DATE: 3-21-2023

AGENDA ITEM #: 14

AGENDA TITLE: 2022-2023 Board Goals

SUMMARY: Attached please find the top 6 goals from the November Board meeting.

Playground equipment has been ordered and will be delivered in late June with installation scheduled for early July.

Top Ten Academically: I have started a series of conversations with the staff about how our school district can approach this goal. I will be sharing these conversations with the Board as they happen. Later in this agenda, I will be recommending the addition of an elementary principal and curriculum coordinator positions to assist in this goal.

Family Consumer Science: The Facility Committee met on this matter on February 20th. The placement of the program was discussed. The timeline for implementation was also discussed. Due to financial considerations and the short timeline between now and the start of school in August, it would probably be best to delay this program implementation for one year. Curriculum and class offerings will be discussed in the spring of 2023 until the fall of 2023. Remodeling plans will begin in the fall of 2023. Materials can be ordered in early 2024. Remodeling of the classroom can be completed in the summer of 2024 with classes beginning in the fall of the 2024-2025 school year. I have forwarded the FCS curriculums from Great Falls Public Schools and Sidney Public Schools to the Board. I will also be seeking out curriculums from some B and C schools in the short near future.

Complete Strategic Planning: I spoke to Debra Silk, MTSBA, a few weeks ago. She is planning to coordinate coming to Culbertson with travel to other districts in April. She stated that she will send some tentative options to us and let us pick the date that works best for us. I will let you know when those options are available as soon as I receive them.

Review Language Arts Curriculum: This process is underway with the tentative timeline illustrated on the Goal spreadsheet.

Old Armory Facelift: I am currently seeking quotes for the following upgrades – Storefront (front doors and windows assembly, exterior window replacements, ceiling tiles replacement, upgrade interior lighting, refurbish stage area, refurbish entry area, upgrade propane boilers, crash pads for the base of the stage, and refurbish bathrooms.

Overall, much…...if not all of these goals will be dependent on have the financial capability to complete them.

AGENDA TITLE: 2023-2024 Principal Contract(s)

SUMMARY: I would like to recommend the Board consider adding additional principal FTE to assist with the ongoing and increasing needs to the building administrative level. I believe the two largest needs that should be addressed by the additional administrative staff would include additional supervision for all staff, especial new staff; and additional oversight for the district curriculum.

In February Mike Olson was recommended and approved for renewal as the K-12 Principal for the 2023-2024 school year.

I would recommend the Board offer an Elementary (K-5) Principal contract for 2023-2024 to Janessa Parenteau that would include the supervision of the Title I department. I would also recommend changing Mike Olson's contract to reflect that he would be the Middle School and High School Principal for grades 6-12 for 2023-2024.

RESOLUTION of INTENT to IMPOSE an INCREASE in LEVIES
Culbertson School Election, Culbertson MT

As an essential part of its budgeting process, the Culbertson School Board of Trustees for School District No. 17J/R/C, Roosevelt and Richland Counties, State of Montana, is authorized by law to impose levies to support its budget. The Culbertson School Board of Trustees estimates the following increases/decreases in revenues and mills for the funds noted below for the next school fiscal year beginning July 1, 2023, using certified taxable valuations from the current school fiscal year as provided to the district:

Fund	Estimated Change in Revenues	Estimated Change in Mills	Estimated Impact, Home of $100,000	Estimated Impact, Home of $200,000
Elementary Transportation	$78,322	8.08	$10.91	$21.83
Elementary Adult Education	$0.00	0.00	$0.00	$0.00
High School Transportation	$37,319	4.58	$6.19	$12.37
High School Adult Education	$0.00	0.00	$0.00	$0.00

This estimation is based on the anticipation of fund reserves in sufficient levels to offset any increases in these permissively funded budgets for the 2023-2024 budget year and are based on current certified taxable valuations from the current school fiscal year.

AGENDA TITLE: Activity Bus Replacement

SUMMARY: This is probably the start to a long conversation about replacement of the Activity Bus fleet. We currently have a 2005 MCI with over a half a million miles, a 2012 International, and a 2014 International.

The 2012 International was bought used and has been a bit of a lemon in the past few years with seemingly on-going problems more often than not. I recommend replacing this one first.

The 2014Internation was bought new and for the first 8 years did pretty good for us. Now…….it seems to have the problems that the 2012 has been going through.

The 2005 MCI just needs some TLC and seems to be doing okay for now.

One option Lora and I would like the Board to consider for the replacement of the 2012 International would be purchasing two (2) 15 passenger mini-buses. Several area schools are using them, mostly because a CDL is not required. We are looking into the costs and will update the Board when we know more.

(Non-Agenda Items)

The Board recognizes the value of public comment on educational issues and the importance of involving members of the public in its meetings. The Board also recognizes the statutory and constitutional rights of the public to participate in governmental operations. To allow fair and orderly expression of public comments, the Board will permit public participation through oral or written comments during this "public comment" section. Individuals wishing to be heard by the Board shall first be recognized by the Chairperson. Individuals, after identifying themselves, will proceed to make comments within a 3 minute time period. Citizens may comment on items within the jurisdiction of the school board that do not appear on this meeting's agenda. Citizens may not comment on matters related to student or staff privacy or contested adjudicative matters. The Chairperson may control the comment period to ensure an orderly progression of the meeting and may redirect or terminate an individual's statement when appropriate, including when statements are out of order, too lengthy, personally directed, abusive, obscene, or irrelevant.

Thank you.
