Mr. Olson
Technology Report
School Board Meeting
April 18, 2023

10 new access points are up and running. We have 10 left to get out of the old access points.

I am still setting up Chromebook and rotating out the old ones. We will have to have another chromebook give away this spring.

As of now Windows 10 end of service is Oct 2025. I am working on solutions as most of our computers do not meet the specifications for Windows 11.

The new SonicWALL has arrived, and I am working with Northstar to get it online.

Technology requests have come in. I will have them ready for the May Meeting.

CULBERTSON PUBLIC SCHOOLS
DISTRICTS 17 J/R/C
BOARD AGENDA FACT SHEET

MEETING DATE: 4-18-2023

AGENDA ITEM #: 14

AGENDA TITLE: 2022-2023 Board Goals

SUMMARY: Attached please find the top 6 goals from the November Board meeting.

Playground equipment has been ordered and will be delivered in late June with installation scheduled for early July.

Top Ten Academically: I have started a series of conversations with the staff about how our school district can approach this goal. Thus far the staff has met twice and will meet at least twice more on this subject before the end of school. All discussions with the staff will be forwarded to the Board for consideration.

Family Consumer Science: The Facility Committee met on this matter on February 20th. The placement of the program was discussed. The timeline for implementation was also discussed. Due to financial considerations and the short timeline between now and the start of school in August, it would probably be best to delay this program implementation for one year. Curriculum and class offerings will be discussed in the spring of 2023 until the fall of 2023. Remodeling plans will begin in the fall of 2023. Materials can be ordered in early 2024. Remodeling of the classroom can be completed in the summer of 2024 with classes beginning in the fall of the 2024-2025 school year. I have forwarded the FCS curriculums from Great Falls Public Schools and Sidney Public Schools to the Board. I will also be seeking out curriculums from some B and C schools in the short near future.

Complete Strategic Planning: I spoke to Debra Silk, MTSBA, a few days ago. She is planning to arrive in Culbertson on May 4th at 6 pm to conduct the final strategic planning session with the Board, Staff, and Community.

Review Language Arts Curriculum: This process is underway with the tentative timeline illustrated on the Goal spreadsheet.

Old Armory Facelift: I am currently seeking quotes for the following upgrades – Storefront (front doors and windows assembly, exterior window replacements, ceiling tiles replacement, upgrade interior lighting, refurbish stage area, refurbish entry area, upgrade propane boilers, crash pads for the base of the stage, and refurbish bathrooms.

Overall, much…..if not all of these goals will be dependent on have the financial capability to complete them.

Classified Employment and Assignment

Employees designated as "classified" employees include all non-teaching positions or duties in the District.

Each newly hired classified employee will either be hired: as a probationary employee with a beginning and ending date, within the meaning of Section 39-2-912(2), MCA. Employees initially hired on a written contract for a specific term will have no expectation of continued employment beyond the current contract term, and in the absence of Board action to offer a subsequent contract, the employment will automatically conclude at the conclusion of the contract term.

For those employees hired as probationary employees, such employees will be required to complete a probationary period of six months. Leaves of absence by an employee for a period of more than 5 consecutive working days other than holidays or vacations during the probationary period will not be counted as part of the probationary period.

During the probationary period of employment, the employment may be terminated at the will of either the School District or the employee on notice to the other for any reason or no reason. Prior to the conclusion of the original or extended probationary period, the Superintendent will determine whether to retain the employee or make a recommendation to the Board for termination of probationary employment. If the employee is retained, the employee will be designated as one of the following types of employees depending on the factors noted.

If the employee is issued subsequent contracts for a specific term following the initial contract, a probationary period will not apply.
