

Week 2 of Summer Fun

Grade 3

Enjoy these optional learning activities this week!

ELA

Activity Description

- Marvelous Mysteries

Directions

- Listen to [Cam Janson and the Pizza Shop Mystery](#)
- Create secret messages by following these directions.

Gather these supplies:

Lemon juice

Grapefruit juice

Milk or baking powder

Paper

Paintbrush or cotton swab

Scrap paper

Iron

1. Invisible messages can be written using several different kinds of substances. You can experiment with different "secret inks." Try writing messages with lemon juice, grapefruit juice, milk or baking powder.
2. Write your message on a piece of paper using a paintbrush or a cotton swab. Write carefully because you won't be able to see the message while you're writing it!
3. To make the message appear, have an adult help you place the message paper between two sheets of scrap paper on an ironing board and then iron the papers with a warm iron.
4. Your message will appear as if by magic -- but it is really a chemical reaction that happens quickly because of the heat of the iron.

Math

Activity Description

- Area and Perimeter

Directions

- Watch the [Area](#) and [Perimeter video](#)
- Do page 18 in the Summer Fun packet

<p>Social Studies</p>	<p>Activity Description</p> <ul style="list-style-type: none"> • Career exploration <p>Directions</p> <ul style="list-style-type: none"> • Learn about a new career. A-Z Career Lab • Play 20 Questions with a family member to see if they can guess what career you explored
