### Math

#### Activity Description

- Time Check

#### Directions

Ask a family member to have you look at an analog clock (one with hands) at least 5 times throughout the day. Write down the time and what activity you

are doing. Do the same thing the next day and see if you are doing the same things at the same time.

## Social Studies

### Activity Description

- Timeline of Your Life

### Directions

- Make a timeline showing your life. Be sure to include important events. Here are a few ideas to get you started: when you were born, learning to crawl/walk, starting school, losing your first tooth. You can add photos or draw illustrations.

## Science

### Activity Description

- Cookie Dunk Experiment

### Directions

- Choose 3 different types of cookies. Here are some ideas: Oreo, Chips Ahoy, and Nilla Wafer. Feel free to use any 3 cookies you like and have!
- Next, describe the cookies. What do they look like, feel like, and smell like?
- Then, make a prediction about whether or not each cookie will sink or float in milk.
- Finally, test the cookies by placing each in a small cup of milk to see if they float or sink. What happened? Was your hypothesis right or wrong?

## Special Area
