

GET READY FOR KINDERGARTEN

MATH

Next year, your student will continue to use Eureka Math as the curriculum. This curriculum will build on the knowledge & skills they learned in Preschool.

Here are some things you can begin practicing to get your student ready for math in Kindergarten:

- Counting past 10
- Writing numbers 0-10
- Counting objects to build 1:1 correspondence
- Ways to make ten
- Identifying and naming shapes
- Counting on starting at any number

ENGLISH LANGUAGE ARTS

Next year, your student will begin using Wit & Wisdom as their knowledge-building & writing curriculum.

Students will continue to use Foundations and Heggerty to develop reading skills.

Here are some things you can begin practicing to get your students ready for ELA in Kindergarten:

- Reading stories with your child and ask questions
- Writing upper and lowercase letters
- Recognizing the names and sounds of letters
- Writing their first and last name
