

GET READY FOR THIRD GRADE

MATH

Next year, your student will continue to use Eureka Math as the curriculum. This curriculum will build on the knowledge & skills they learned in Second Grade.

Here are some things you can begin practicing to get your student ready for math in Third Grade:

- Telling time
- Counting coins
- Adding & subtracting 3-digit numbers
- Measuring objects in inches & centimeters
- Practice skip counting

ENGLISH LANGUAGE ARTS

Next year, your student will continue using Wit & Wisdom as their knowledge-building & writing curriculum. Students will continue to use Foundations to develop reading & spelling skills.

Here are some things you can begin practicing to get your students ready for ELA in Third Grade:

- Have your child read independently or to you and discuss the story in complete sentences
- Writing in a journal
