

# Welcome to SECOND GRADE

## Sheiko Elementary Supply List 2024-2025

The following school supplies will help your child grow during their second-grade year; staying organized and having the right tools can set each child up for success. Please stay as close to the name brands as possible; they stand up against wear and tear (we have tried everything over the years!). **Please do not write any names on supplies** (except headphones) - teachers will label or students will decorate them at the beginning of the year.
