

June 3, 2022

Dear Preschool Families,

Future reading success is built on a foundation of reading aloud with an engaged, interested adult, whether that is a parent, grandparent, or caregiver. This summer we encourage families of Little Luker, Pre-Kindergarten, and Junior Kindergarten students to set aside time every day to read with your children.

To continue helping your children increase their vocabulary and learning over the summer, we offer this [summer packet](#) that includes tips on the best ways to foster literacy as well as suggested reading selections. You should be able to find these titles at your local public library or favorite book store.

Please take time not only to read, but to encourage your children to play with language and words to help strengthen their vocabulary. Make conversation a priority. While summer is a wonderful time to relax and have fun, it's also important that we continue to instill a love of books in our youngest Saints!

We hope that you enjoy the ideas and selections that are collected here. Should you have any questions regarding this summer packet, please feel free to [email me](#) or call the school at 278-0200. Additional information regarding the coming school year will be shared throughout the summer, so please check your email periodically for updates. We wish you a safe and enjoyable summer, and look forward to welcoming you to campus in August!

Sincerely,

Cynthia Hill
Head of Preschool
