

## SCHOOL DAY

The length of the school day is established in the collective bargaining agreements with the various school unions. The specific opening and closing times of the schools will be recommended by the Superintendent and set by the North Middlesex Regional School Committee.

The Superintendent is authorized to make minor changes in opening and closing times to simplify transportation scheduling; however, major changes in schedules will require School Committee approval.

Caregivers will be informed of the opening and closing times set by the School Committee. To help ensure the safety of all students, caregivers will also be notified to refer to individual school handbooks for the procedures on acceptable building entrance times for students.
