

CURRICULUM AND INSTRUCTION REGIONAL NETWORKS

Free!

The Curriculum and Instruction Regional Networks are designed for district and site instructional leaders who provide coaching and support for student learning in grades from TK-12. The networks will provide current and relevant California Department of Education updates, legislative updates and relevant content. Participant synthesis and network time will be provided. Participants can attend any session at any location.

Who Should Attend

Curriculum and instruction district and site leaders including assistant superintendents, directors, coordinators, principals, instructional coaches, teachers on assignment, and teacher leaders

District teams are encouraged to attend.
