WHEREAS, the parties have agreed upon certain terms and conditions of employment and desire to reduce said terms and conditions to writing.

NOW THEREFORE, the parties intending to be legally bound and in consideration of the mutual covenants contained herein do hereby agree to follows:

ARTICLE I. TERM

1.0 Term. The Board does hereby elect and appoint Dr. Ronald Davis to the position of Assistant Superintendent for Secondary Education of the Mt. Lebanon School District for a term of three (3) years commencing July 1, 2024 and terminating June 30, 2027.

1.1 Contract Year. All references in this Contract to “contract year” shall mean the period of time from July 1st to the following June 30th.

1.2 Termination, Renewal or Extension. This Contract shall terminate immediately upon the expiration of its term unless allowed to automatically renew as provided by Section 1077 (b) of the Public School Code, as amended; provided, however, that the requirement of Board action at least ninety (90) days prior to the expiration date of the term of office as specified in Section 1077 (b) is increased to one hundred eighty (180) days. Any renewal or extension of the Assistant Superintendent’s term beyond the term of the Contract shall be made pursuant to the provisions contained in the Public School Code of 1949, as amended, either through the automatic renewal described above or the execution of a new contract.

1.3 Termination for Cause. Throughout the term of the Contract, the Assistant Superintendent shall be subject to discharge for cause as provided by Section 10-1080 of the Pennsylvania Public School Code of 1949, as amended (24 P.S. §10-1080), provided, however, that the Assistant Superintendent shall have the right to written charges at least ten (10) calendar days prior to a hearing. At any such hearing before the Board, the Assistant Superintendent shall have the right to be present and to be heard, to be represented by counsel at his expense, and to present through witnesses any testimony relevant to the issue. A

transcript of the record of the proceedings before the School District shall be made available to the Assistant Superintendent upon request. The cost of the transcript shall be borne by the Assistant Superintendent. The School District agrees that it shall on an informal basis inform the Assistant Superintendent that written charges will be issued in accordance with § 10-1080 of the Pennsylvania Public School Code of 1949 prior to the issuance of those written charges. In the event of such termination for cause all salary and benefits shall cease immediately upon the effective date of such termination.

1.4 Termination other than for Cause. The Assistant Superintendent's employment may be terminated by the School District other than for cause as provided for in Section 1.3. Prior to terminating the Assistant Superintendent for reasons other than cause the School District agrees to the following procedure:

- A. The Board and the Assistant Superintendent will meet to discuss concerns that the Board has about the Assistant Superintendent's performance.
- B. The School District must submit to the Assistant Superintendent, in writing, the basis of the School District's concerns, and provide the Assistant Superintendent with a six (6) month time period to correct such concerns to the Board's satisfaction. At the end of the six (6) month period the Board will reevaluate the Assistant Superintendent's performance.
- C. If the Board determines that the concerns specified have not been corrected to the Board's satisfaction, the School District will then have the right to terminate the Assistant Superintendent's employment.

In the event that the Assistant Superintendent's employment is terminated pursuant to this Section 1.4, then in lieu of any other claim or remedy the Assistant Superintendent shall continue to be paid his base salary for a period ending upon the earlier of (i) the one year anniversary of the effective date of such termination other than for cause, or (ii) the expiration date of this Agreement, being June 30, 2027; provided, however, that in the event of such

termination within the last two (2) years of the Contract term, the amount due to the Assistant Superintendent under this provision shall not exceed the equivalent of one-half of the Assistant Superintendent's base salary due under this agreement for the remainder of the term. Moreover, in the event that the Assistant Superintendent is entitled to such continued base salary after termination, the School District's liability shall be reduced by the amounts earned by the Assistant Superintendent, directly or indirectly, whether as an employee, consultant, owner, partner or otherwise, during the term of such continued base salary. Assistant Superintendent agrees to promptly advise the School District of any such earned income.

1.5 Conduct after Separation. Assistant Superintendent shall not, at any time during Assistant Superintendent's employment with the School District or during the one year following separation from employment for any reason, directly or indirectly solicit, entice or induce any employee of the School District to terminate their employment and/or to become employed by any other school district, person, firm corporation, partnership or other entity.

1.6 Return of District Property. Upon Assistant Superintendent's separation from employment for any reason, Assistant Superintendent shall return to the School District all of its property including, without limitation, all documents and information, however maintained (including computer files, tapes and recordings), and all copies thereof, concerning the School District or acquired by Assistant Superintendent in the course and scope of Assistant Superintendent's employment, and the Assistant Superintendent shall not disclose confidential information obtained during his employment with the District to any third party without prior written approval of the Board.

1.7 Termination by Assistant Superintendent. This contract may be terminated by the Assistant Superintendent prior to the effective termination date by the Assistant

Superintendent submitting a written resignation or notice of retirement to the President of the Board at least one hundred eighty (180) days prior to the effective date of the resignation/retirement provided however, in the event that such resignation or retirement is a result of a medical condition this notice requirement shall be waived. All benefits specified in Exhibit "A" hereto including those under the Administrative Program as defined therein except for insurance coverage while employed shall be contingent upon compliance with this notice requirement.

1.8. Retirement. The Assistant Superintendent does intend to retire under this term. Therefore this contract does provide for postretirement benefits included in the Administrative Program described in Exhibit "A", expanding those benefits as follows (assuming the insurance provider permits such coverage):

a. Upon completion of one year of employment hereunder (through June 30, 2025) three years of post- retirement family healthcare coverage at School District expense.

b. Upon completion of a second year of employment hereunder (through June 30, 2026) two additional years of post-retirement family healthcare coverage at School District expense.

c. Upon completion of a third year of employment hereunder (through June 30, 2027) two additional years of post-retirement family healthcare coverage at School District expense.

d. Should Assistant Superintendent retire prior to June 30, 2027 and therefore not be entitled to seven (7) years of family healthcare coverage at School District expense, he may, at his expense, add family healthcare coverage to the coverage he is entitled to under the Administrative Program through June 30, 2034,

1.9. No Modification. The above termination, buyout and severance provisions, including all provisions relating to post employment compensation and the period of time in

which compensation shall be provided, shall not be modified during the course of the contract or in the event that this contract is terminated prematurely (excluding retirement).
