Middle School (7th - 8th) Supply List 2024-2025

Dear Families,

Last year, our Lost and Found was consistently filled to the brim, and after school was let out in May, we still had over 20 water bottles and dozens of jackets. Please label everything your student takes to school with their first and last name. We want your hard-earned purchases to stay with your student as long as possible to reduce waste and re-buying.

Please also stick to this list as best as possible. Your child may want to get a larger supply box for markers and other materials*, but it becomes a lot for students to carry from class to class, in addition to taking up desk space (and floor space) that they need to work.

Please email Ms. Parra at nparra@emsacharter.org for any questions or concerns.

*We purposely **did not include** tape, crayons, red pens, pencil sharpeners, compasses, protractors, rulers, or scissors on the required list. We have plenty at school and will distribute them when students need them.

Additional supplies may be required by teachers when school starts. A re-stock list may be sent home in January. Starred items may need to be restocked.
