ARTICLE I COMPENSATION

The salary of positions covered by this agreement shall be based upon the individual's responsibility level as shown in Appendix A.

Full-time employees shall receive the fringe benefits provided for in this employment agreement. For the purpose of defining an employee who is fulltime, the term "full-time employee" shall include any employee working 25 hours or more per week, five hours per day, for a period of at least 175 working days per year inclusive of paid holidays. An employee working 875 hours or more per fiscal year may qualify for benefits subject to the working conditions being pre-approved in writing by the immediate supervisor and the Executive Director of Human Resources. This special provision would be approved by the school district only if the special, flexible hours are in the best interests of the educational program of the school district.

So long as permitted by the school district's group insurance carrier, full-time employees may purchase additional life insurance coverage on their own lives and on the lives of their spouse and/or children. The cost of the premium for this optional life insurance shall be borne by the employee and paid by payroll deduction. The premium cost, underwriting conditions, and insurance contracts shall be determined by the school district's group life insurance carrier. Upon the request of an employee who is absent from work as a result of a compensable injury under the provisions of the Workers Compensation Act the school district will pay the difference between the compensation received pursuant to the Workers Compensation Act and the employee's regular rate of pay to the extent of the employee's earned accrual of sick leave.
2. A deduction shall be made from the employee's accumulated sick leave accrual time according to the pro rata portions of days of sick leave time which is used to supplement Workers Compensation.
3. Such payment shall be paid by the school district to the employee only during the period of disability.

Section 6. Claims Against the School District:

The parties agree that any description of insurance benefits contained in this contract are intended to be informational only, and the eligibility of any employee for benefits shall be governed by the terms of the insurance policy. No claim shall be made against the school district as the result of denial of insurance benefits by insurance carriers.

**ARTICLE IV
LEAVES**

Section 1. Sick Leave:

1. All full-time employees shall earn sick leave as provided in the schedule shown below. Such sick leave shall be a personal benefit to the employee only. Annual sick leave shall accrue at the beginning of the school year on a proportionate basis to the employee's work day.

<u>Number of Days Per Year of Employment Leave</u>	<u>Number of Days Per Year of Disability Leave</u>
260 Day Employees	14
235-259 Day Employees	11
204-234 Day Employees	10
175-203 Day Employees	9

Employees hired after July 1, 2014 will also be credited with an additional 14 days of disability in their first year of employment (earned pro-rata).

2. Unused sick leave days will accumulate to a maximum credit of 254, of which 240 days will carry over to the following year.
3. Each employee's accumulation of unused sick leave benefits shall be credited and communicated to the employee at the opening of each school year. A request for sick leave shall be processed upon submission of a signed request form.
4. Sick leave benefits with pay shall be allowed by the school district whenever an employee's absence is found to have been due to illness or disability which prevented performance of duties on that day or days.
5. The school district may require an employee to furnish a medical certificate from the district-designated physician or other qualified physician as evidence of

illness, indicating such absence was due to illness, in order to qualify for sick pay. However, the final determination as to the eligibility for such leave is reserved for the school district.

It shall be the responsibility of each employee to provide medical certification by a doctor acceptable to the school district. Sick leave will not be paid by the school district unless medical certification is provided to the school district when requested.

6. An employee may use sick leave up to the amount accumulated for serious illness for the employee or minor child. An employee may also use sick leave not to exceed five (5) days per year for serious illness of a spouse, parent or adult child.
7. Eden Prairie school district employees transferring from another exclusive representative group to the Eden Prairie Supervisors and Specialists group will carry accumulated sick leave forward from the original group to EPSS.

Section 2. Bereavement Leave:

Up to five (5) days of paid leave shall be granted for death in the immediate family. The particular amount of leave allowed under this provision is subject to the discretion of the superintendent, depending upon the circumstances. For purposes of this section, immediate family is defined as the employee's spouse, child, parent, brother, sister, mother-in-law, father-in-law, sister-in-law, brother-in-law, grandparent, legal guardian, aunt, uncle, grandchild, daughter-in-law, son-in-law, niece, nephew and spouse's grandparent, and persons who reside in the employee's household. Up to one (1) day of paid leave per year shall be granted for the death of any other relative or friend not covered in the definition of bereavement leave. Days used for this section shall not be deducted from disability leave.

Section 3. Jury Duty Leave:

An employee who serves on jury duty shall be granted the day or days necessary as stipulated by the court to discharge this responsibility without any salary deduction or loss of basic leave allowance. In the event an employee serves on jury duty pursuant to this section, the school district will compensate the employee for the difference between the regular salary and the amount received as jury duty pay.

Section 4. General Leave:

1. Employees in the school district may apply for an unpaid leave of absence subject to the provisions of this section. The granting of such leave shall be at the discretion of the school district.
2. Such leave may be granted by the school district for Peace Corps, child care leave, extended illness of the employee's family, adoption, civic activities or other reasons deemed appropriate by the school district.

Section 5. Military Leave:

Military leave shall be granted pursuant to applicable laws.

Section 6. Medical Leave:

1. An employee who is unable to work because of illness or disability, and has exhausted all disability leave credit available, or has become eligible for long term disability compensation, shall, upon request, be granted a medical leave of absence, without pay, up to one (1) year. The school district may, in its discretion, renew such a leave.
2. A request for leave of absence or renewal thereof under this section shall be accompanied by a written doctor's statement outlining the conditions of health and estimated time at which the employee is expected to be able to assume his/her normal responsibilities.
3. If an employee is not granted a renewal of a medical leave of absence, at the discretion of the school district, such employee's employment may be terminated.

Section 7. Personal Leave:

A full-time employee may be granted one (1) day of personal leave per year.

Section 8. Leave Authorizations:

General leaves and medical leaves may be authorized by the school district. Other leaves may be granted subject to submission of a properly signed and authorized report form reflecting appropriate information.

Section 9. Disaster Leave:

The district shall provide disaster leave coverage for an EPSS employee who has exhausted accumulated disability days prior to the commencement of long-term disability benefits. An EPSS employee will become eligible for disaster leave coverage after the EPSS employee has been continually disabled and unable to work for thirty (30) consecutive work days as certified by a medical doctor. Disaster leave payments shall be retroactive to the day that regular disability leave payments expire and shall continue only for a period during which the EPSS employee remains continuously disabled and unable to perform his/her work function. Disaster leave payments shall cease on the 61st calendar day of disability.

Section 10. Insurance Application:

1. An employee on leave under D and F of this section is eligible to continue to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such programs as he/she wishes to retain commencing with the beginning of the leave. However, an employee who has performed services at least ninety (90) days during the school year shall receive the pro rata portion of the school district contribution proportionate to the days worked to the regular duty year. It is the responsibility of the employee to make arrangements with the school business office to pay to the school district the

monthly premium amounts in advance and on such dates as determined by the school district. The right to continue participation in such group insurance programs, however, will discontinue upon termination of employment.

2. The school district shall provide medical-hospitalization and dental insurance as described in paragraphs A and B of Article III of this agreement when an employee is on leave of absence due to a work-related injury compensable under the provisions of the Workers' Compensation Act and when also receiving sick leave benefits as provided in Section E of Article III of this agreement. The school district will continue to provide medical-hospitalization and dental insurance from the first day of the month following the expiration of paid sick leave for a maximum of 12 months or until the return to work, whichever occurs first.

Section 11. Eligibility:

Only “full-time employees” as defined in Article I.C. of this employment agreement shall be eligible for benefits in this article.

**ARTICLE V
PROFESSIONAL ABSENCE**

The district encourages employees covered by this agreement to pursue school-district-related professional growth activities as approved by the school district. Persons covered by this agreement may be allowed to attend professional meetings and other activities of a professional nature with full pay when authorized by the school district. When personnel attend meetings on behalf of the school district, expenses shall be paid by the school district, if provided for and authorized in the budget. Such authorization should be obtained from the employee's supervisor in advance of the meeting to be attended.

**ARTICLE VI
MILEAGE REIMBURSEMENT**

Persons covered by this agreement may be provided a travel allowance to compensate for expenses incurred in the use of a private automobile for the transaction of school business.

The actual dollar amount of the travel allowance shall be determined by the school district after consultation with the administrator and such allowances, if any, shall be evaluated yearly by the school district. Any employee not receiving a travel allowance shall receive the mileage rate provided under the school policy.

ARTICLE VII
SEVERANCE / RETIREMENT PAY
For employees hired prior to July 1, 1999

- A. The school district shall provide one pro rata day of severance/retirement pay for each full year of employment as a full-time EPSS employee in the Eden Prairie school district. Calculations for accumulating severance/retirement pay under this paragraph shall not be retroactive and shall start as of July 1, 1989. An EPSS employee is eligible for severance/retirement pay when he/she discontinues employment with the school district for any reason other than dismissal for cause. In case of death, the benefits from this paragraph shall be paid to the employee's beneficiary as designated on the Designation of Beneficiary card for life insurance. The rate of pay shall be calculated at the rate of the last day of employment. The divisor for the daily rate of pay will be 240 days (or pro-rata thereof for reduced contracts).
- B. Full-time employees who have completed at least eighteen (18) years of continuous service with the school district and who are at least fifty-five (55) years of age shall be eligible for severance pay pursuant to the provisions of this paragraph upon submission of a written resignation accepted by the school district. Eligible employees shall receive as severance pay an amount representing thirty (30) days' pay or the amount in paragraph A, whichever is more, but not both. In case of death, an employee who otherwise qualifies for benefits under the provisions of this paragraph shall have such benefits paid to the employee's beneficiary as designated on the employee's Designation of Beneficiary card for life insurance. An employee qualifying for severance pay provided for in Section VII, A. of this article will receive that severance pay as follows. The first 50% of the severance shall be contributed to the employee's account under the VEBA Trust for Eden Prairie Schools (the health reimbursement arrangement (HRA) sponsored by the school district that is funded with a VEBA authorized under Section 501(c)(9) of the Internal Revenue Code). The remaining 50% shall be contributed to the employee's account under a 403(b) plan (i.e., TSA account) sponsored by the school district that is funded solely with accumulated sick leave, vacation, and/or severance.

Severance pay may not exceed an amount equivalent to six months of wages (per MN Statute 465.722).

- C. EPSS employees shall also receive as severance pay 50% of unused accumulated sick leave, not to exceed the maximum limitations set forth in Article IV, Section A. Total severance pay to any EPSS employees shall not exceed one year's salary or any other limitations set forth in state statutes. An employee qualifying for severance pay provided for in Section VII, A. of this article will receive that severance pay as follows. The first 50% of the severance shall be contributed to the employee's account under the VEBA Trust for Eden Prairie Schools (the health reimbursement arrangement (HRA) sponsored by the school district that is funded with a VEBA authorized under Section 501(c)(9) of the Internal Revenue Code). The remaining 50% shall be contributed to the employee's account under a 403(b) plan (i.e., TSA account) sponsored by the school district that is funded solely with accumulated sick leave, vacation, and/or severance.

Severance pay may not exceed an amount equivalent to six months of wages (per MN Statute 465.722).

- D. In applying these provisions, an employee's daily rate of pay shall be the basic daily rate as of the last day of employment, as provided for in the salary schedule for the employment policy, and shall not include any additional compensation for overtime or other extra compensation.
- E. At the option of the employee, severance pay shall be paid by the school district within 30 days of the effective date of retirement; however, this severance pay shall not be granted to any employee who is discharged for just cause by the school district.
- F. If an employee dies before all or a portion of the severance pay has been disbursed, that balance due shall be paid to a named beneficiary, or lacking same, to the deceased's estate.

G. Hospitalization Insurance Coverages

1. Employees Qualifying for School District Contributions: Employees hired prior to July 1, 1996.

- a. For employees hired prior to July 1, 1996. An employee who retires pursuant to this Section with at least 20 years as an employee in the Eden Prairie School District, at least 20 years in TRA and/or PERA and who is 55 years of age or more shall be eligible to participate in a school-district-sponsored group medical-hospitalization insurance plan with the school district contribution to be up to \$1,300 per month, if permitted by the terms of the respective master group medical insurance policy. This language applies to employees who retire after June 30, 2006. Effective the first month of the employee's retirement, the school district shall contribute up to \$1,300 per month toward single or family medical-hospitalization insurance premiums and the dental insurance premiums. School district contribution to such group insurance, however, shall discontinue upon the employee becoming eligible for Medicare.

The provisions of this agreement shall apply to EPSS employees contracted for 1,920 hours or more per year. Full-time EPSS employees, as defined in Article I.C. of this agreement, contracted for less than 1,920 hours per year shall receive a pro rata portion of this benefit by dividing the number of hours contracted by 1,920 and multiplying by the monthly premium. In case the contracted hours are not consistent from year to year, the numerator of this equation shall be determined by averaging the most recent five years.

- b. For employees hired prior to July 1, 1996. An employee who retires

pursuant to this Section with fifteen (15) years as an employee in the Eden Prairie School District and who is 55 years of age or more shall be eligible to participate in a school-district-sponsored group medical-hospitalization insurance plan with 50% of the district's contribution as described in section a. above. The employee's right to continue receiving school district contributions toward these premium payments for said group insurance will discontinue upon the employee becoming eligible for Medicare.

**ARTICLE VIII
POST RETIREMENT HEALTH CARE VEBA**

1. The School District shall provide a post-retirement Health Care Account ("Account") to employees who have completed five (5) full years of service as of June 30th of the fiscal year. The employee must be employed from July 1st to June 30th to be eligible for payment. The School District shall contribute \$3,000 annually to each Level I, II, and III employee and \$1,000 annually to each Level IV employee upon completion of each fiscal year. Payments will be made by July 30th. The School District shall make no contributions to the Account after the employee ceases to be employed by the School District. Employees who resign prior to June 30th will not be eligible for payment for that fiscal year.
2. The employee may receive reimbursement from the Account for expenses related to medical care, as defined under the Internal Revenue Code; however, the definition of expenses eligible for reimbursement may be modified if necessary to comply with applicable nondiscrimination requirements under the Internal Revenue Code.

**ARTICLE IX
TAX-SHELTERED ANNUITY MATCHING PROGRAM – 403(b)**

- A. Eligibility:
Full-time employees shall be eligible to participate in the tax-sheltered annuity matching program.
- B. The district match will begin on July 15 and will remain constant until June 30.
- C. This tax-sheltered annuity matching program will provide a dollar-for-dollar match of an eligible employee's tax-sheltered annuity based on a percentage contribution of up to 2.25% of the employee's base salary as of July 1 of each year. Any salary earned above and beyond base salary does not apply to the matching program.
- D. Employees may defer additional unmatched amounts of their compensation to the 403(b) program or in any other TSA of their choosing as is permissible by law.

Employees are advised to seek advice from a qualified tax advisor or financial planner to ensure they meet permissible guidelines.

- E. The salary reduction program (403(b) tax-sheltered annuity program) shall be administered on an evenly distributed formula over each pay period.
- F. The employee may select any qualified company pre-approved by the State of Minnesota and also approved by the school district.
- G. The provisions of this section shall be administered in accordance with the district policy for TSA's.
- H. The parties agree that any description of benefits contained in this Article is intended to be informational only, and the management of contributed funds is the responsibility of the company selected by the employee. It is further understood that the District's only obligation is to make contributions as specified in this Article and that no other claim shall be made against the District pursuant to this Article.
- I. Offset Against Severance
District contributions to the tax-sheltered annuity matching program will be offset (be deducted from) the final severance amount upon retirement with the employee receiving the net amount as severance. Should the district's contributions to the tax-sheltered annuity matching program exceed eligible severance at the time of retirement, no severance payment will be due.
- J. Full-time employees hired prior to 7/1/99 shall be eligible to receive severance. Full-time employees hired 7/1/99 or after shall be eligible to receive only the 403(b) matching program.

ARTICLE X TUITION REIMBURSEMENT

Section 1. Employee-initiated Educational Opportunities:

The school district shall reimburse 50% tuition expense for up to three credits per academic session not to exceed a total of nine credits in any one fiscal year for college course work which pertains directly to the position or other educational options. In order to be considered for reimbursement, all coursework must be approved by the EPSS employee's supervisor and the Executive Director of Human Resources prior to taking the coursework. Tuition reimbursement will occur after an EPSS employee has satisfactorily completed the course with a grade equivalent of "C" or higher, if applicable.

Section 2. Employer-initiated Educational Opportunities:

Tuition, travel and out-of-pocket expenses related to employer-initiated educational opportunities shall be paid for by the school district in accordance with school district policy.

**ARTICLE XI
GENERAL EMPLOYMENT PROVISIONS**

Section 1. Probationary Period:

An employee under the provisions of this agreement shall serve a probationary period of twelve (12) calendar months of continuous service in the school district during which time the school district shall have the unqualified right to suspend without pay, discharge, or implement other discipline as may be appropriate. During the probationary period, the employee shall have no recourse to the grievance procedure, insofar as suspension, discharge, or other discipline is concerned. However, a probationary employee shall have the right to bring a grievance alleging a violation relating to any other provision of this agreement.

Section 2. Basic Services:

Staff members represented by this agreement shall faithfully perform the services of their position as prescribed by the school district or its designated representative, abide by the rules and regulations as established by the school board and State Board of Education, for the annual salary shown on Appendix A, and shall serve in the schools of said district as assigned by the respective department director.

**ARTICLE XII
DURATION OF THE AGREEMENT**

Duration of Agreement: This Agreement is for the period commencing July 1, 2024 and ending on June 30, 2026, unless it is terminated during such period for any of the reasons set forth in Article XIII, Section 2 below. Also, with written notice to an EPSS employee, all contractual obligations to him/her shall automatically cease and his/her employment will end effective on the expiration date of this Agreement (June 30, 2024).

1. Termination of Employment

a. Probationary Period

An EPSS employee shall serve a 12-month probationary period during which the School District has an unqualified right to suspend without pay, discharge, or otherwise discipline, and the employee shall not have recourse under the grievance procedure for such actions.

b. Termination

After expiration of the probationary period, an EPSS employee may be immediately discharged for just cause, as determined by the School District. The School District is not required to utilize any form of progressive discipline prior to termination of employment.

c. Elimination of Position

Employment may be terminated immediately upon elimination of the EPSS employee's position, and all contractual obligations to the employee cease on the employee's last day of employment. The grievance procedure does not apply to termination of employment due to elimination of a position.
