GOES Dismissal Information

Walkers

“Glen Oak Estates and Alum Crossing” Walkers (Playground) – This route is designated for students who live on the **east side of Blue Holly Dr**, in Glen Oak Estates or Alum Crossing subdivisions. These students do not cross Blue Holly Dr.

AM - In the morning these walkers/ bikers should turn up the sidewalk at Impatiens Way and continue to walk on the sidewalk along the back parking lot and continue on it to the front of the school to enter the building. Bike riders should park their bike at the bike rack near the playground. Students are not permitted to ride their bikes on school grounds and should walk them once they cross onto school property.

PM - After school, these students will dismiss from the playground and follow the back sidewalk to the first drop point at Glen Oak Park, then the second drop point at the corner of Blue Holly and Impatiens Way. Students will be escorted by the staff member on duty. Please talk to your child about which path they plan to take for their safety and comfort of their whereabouts. Again, bike riders taking this path should have parked their bike at the bike rack near the playground to be able to access it quickly at dismissal, walking them until they pass off school property.

“Glen Oak” Walkers (Yellow Hall) – This route is designated for students who live on the **on the south side of the school**, who do not need to cross Blue Holly Dr and for students that live in Glen Oak or Glen Oak Estates that **need to cross Blue Holly Dr**.

AM - In the morning students that need to cross Blue Holly Dr, should walk to Boxwood Dr and cross the street with the staff member on duty. Bike riders should do the same, parking their bike in the bike rack, at the front of the school. Students are not permitted to ride their bikes on school grounds and should walk them once they cross onto school property.

PM - After school, these students will dismiss from the yellow hallway exit by the Kindergarten rooms. Students are not permitted to ride their bikes on school grounds and will walk them until they cross Blue Holly Dr or pass off school property. They will follow the standard route, walking on the front parking lot sidewalk, crossing Blue Holly Dr at Geranium Dr (if necessary) with the staff member on duty.

Parent Drop off is in the front parking lot

- Please give the staff members on drop off duty your respect. They are there to ensure your student’s safety and facilitate the drop off process.
- **Do not** drop your student off at school before 8:50am -- there is no staff member available to provide supervision until 8:50am.
- Parents who opt to drop off their student in the morning, should turn into the side parking lot and pull as far forward along the curb to allow as many cars to unload at any given time. Staff members will direct drivers to release students.
- Once your student has exited the car, **do not** pull out of line until the vehicle in front of you has pulled away.
- If you opt to park your car, you **must** walk your student to the entrance. We ask that you cross at the painted crosswalk for your own safety.

Parent Pick Up is in the front parking lot

- Pull your car in line with others along the sidewalk of the front parking lot, weaving through the rows as needed. Please complete the QR code or notify a staff member that you have arrived for your student. Students are released via the front door and will be called forward to your car.
