

Algebra Criteria

Weymouth Township School strives to provide enriching, challenging coursework for all students. We offer Algebra I to 8th grade students who meet the following criteria:

- 1) Final A Average for their 7th grade year
- 2) NJSLA Score of Proficient or Advanced Proficient
- 3) Teacher Recommendation
- 4) Passing Grade on a Prerequisite Skills Practice
- 5) Good Attendance

Students who are placed in Algebra will be notified prior to the beginning of the school year.
