AP Spanish Language and Culture Summer Work

Verano 2024

¡Hola! I am so happy you have chosen to continue your study of Spanish into the AP level. The AP Spanish Language and Culture exam will test all of the major language skills: listening, reading comprehension, your speaking ability and writing skills in addition to general cultural knowledge of the Hispanic world. Therefore, you will need to continue practicing your skill areas this summer.

These summer assignments will not take too much time each week, and the work should be spread out throughout the summer rather than trying to cram everything into a few days. CRAMMING does not work with a language! *Please let me know if you have any extenuating circumstances that can hinder your ability to do the work.

STUDENTS ARE REQUIRED to abide by the honor code that forbids them from cheating and lying within the academic standards at WH. I expect this commitment from you. What this means is that you are expected to complete all assignments on your own, without consulting native-speakers or abusing the use of a translator. Your work should represent what you are capable of doing using resources such as your knowledge, grammar books, and notes from previous study. You will receive a grade for this work.

BUT MOST IMPORTANT OF ALL have fun and ENJOY the language and your Summer!

COMPLETION OF SUMMER WORK COUNTS AS THE FIRST MAJOR GRADE
