Credits at end of Junior Year _____

Early Release Agreement/Permission Form

Kingsway Regional High School recognizes that some students who are on target to graduate may wish to consider the option of seeking employment early or registering for college courses instead of taking elective courses. In order for seniors to take advantage of this opportunity, the following guidelines have been established:

1. A student must have earned a minimum of 20 credits by the end of their junior year and satisfied state testing requirement.
2. A student must be enrolled in 4 credit bearing courses.
3. A student must have a parking permit.
4. A student must stay in school until the end of 5th bell.
5. A student must leave the premises immediately.
6. A student interested in participating in after school activities or athletics must carry the necessary number of credits required for graduation.
7. A student must have parental permission, even if over 18.
8. **Early release can be revoked if attendance and/or academic standing is unsatisfactory.**
9. **Early release is not available during modified scheduled (i.e. 2 hr. delay or half day schedule).**
10. NJSIAA does not recommend a half day schedule for athletes as the athlete will have to pass all courses.

Signatures below indicate that both the student and parent/guardian have read the above guidelines and restrictions for early release and agree to conform to them.
