Subject: Bulletin - 2023 Income Tax Changes, Rates, and Tax Tables
Attachments: Bulletin - 2023 Income Tax Changes.pdf

Happy Friday!

Please see the attached bulletin with tax tables for calendar year 2023. The tax tables also include other rates such as: OASDI (Social Security), Medicare, SUI (State Unemployment Insurance), SDI (State Disability Insurance), California Minimum Wage, Federal and State Supplemental Tax Rates, and the IRS Mileage Rate. The 2023 tax tables and rates have been updated in Financial 2000.

Thanks,
Lena

DATE: January 6, 2023

TO: Chief Business Officials, Personnel Administrators, Fiscal Services Directors, and Payroll Staff
San Bernardino County School Districts, Community Colleges, County Office of Education

SUBJECT: **2023 Income Tax Changes**

The Internal Revenue Service (IRS) released the tax tables for calendar year 2023. The new federal tables and the California state tax rates were updated in the payroll system and are effective for payrolls issued after January 1, 2023.

Social Security/OASDI and Medicare

The employee and employer rate for Social Security/OASDI remains unchanged at 6.2 percent. The maximum wages subject to Social Security/OASDI has increased to \$160,200 for employees and employers. Medicare employee rates on wages up to \$200,000 and employer rates remain unchanged at 1.45 percent. The additional Medicare Tax initiated in 2013 requires employers to withhold an additional 0.9 percent on wages paid to employees in excess of \$200,000. This additional tax must be withheld in the pay period in which wages are paid in excess of \$200,000. This additional tax is an employee share not employer.

Form W-4 Withholding

IRS Form W-4 was updated in 2020 and can no longer be used for both federal and state withholdings. Employees hired on or after January 1, 2020, must also complete a state *Form DE-4*. **The State Franchise Tax Board no longer requires a copy of this form from employers for exempt employees. Employers retain Forms W-4 and DE-4.**

Supplemental Wage Payment Taxation

The **aggregate** method is approved by the Internal Revenue Services (IRS) for tax withholding calculations on each supplemental wage payment, unless the district has authorized the special flat-tax withholding rates. *IRS Publication 15* contains additional information.

The aggregate tax is calculated as follows:

1. The wages paid on the current contract cycle are combined with the current supplemental wages (paid in the same cycle) as one wage amount (i.e. CLCONT for CY 01R, pay date 01/31/23, and CLCONT for CY01S1, pay date 02/15/23);
2. A tax is calculated on this combined total of wages;

3. The taxes actually withheld from the current contract cycle wages are then subtracted from the total tax calculation in (2); and
4. The result of the calculation in (3) is the tax amount to be withheld on the current supplemental cycle payment.

As an option to the aggregate method, the IRS provides for the use of a flat-tax option. The 2023 flat-tax withholding rates are 22 percent for federal and 6.6 percent for state. If the district has authorized the special flat-tax withholding rates for supplemental wages, all employees supplemental Earning Lines must be coded with a Tax Type of “F”.

Form W-4 Exempt from Withholding

Employees claiming exemption for tax withholding must meet the requirements outlined on the W-4 Form for this exclusion. The 2022 W-4 exemption expires on February 15, 2023. A new Form W-4 must be received for the employee to continue with this exemption in 2023. If a new Form W-4 is not received, districts will need to apply “Single/Standard Withholding” until a current and valid Form W-4 is received.

[2023 Form W-4 \(irs.gov\)](https://www.irs.gov/individuals/forms/w4)

State Forms

State *Form DE-4* is available at Employee Development Department (EDD) offices. Besides the EDD offices, the same form is also available and may be accessed online at

https://edd.ca.gov/siteassets/files/pdf_pub_ctr/de4.pdf

An attachment has been included which contains the federal and state income tax withholding charts, in addition to other rates and maximum wage bases.

Sincerely,

Ted Alejandro
County Superintendent of Schools
