Subject: Bulletin - 2022 CalPERS Compensation Limits
Attachments: Bulletin - CalPERS Compensation Limits for Classic and New Members.pdf; 200-001-22 2022 Compensation Limits for Classic and PEPRAs Members.pdf

Good afternoon,

Please see the attached bulletin and CalPERS Circular Letter #200-001-22, regarding the calendar year 2022 compensation limits for both Classic and PEPRAs members. Please note these are not actual limits on the amount an employer can pay a CalPERS employee, but limits on the amount of compensation that can be included for retirement benefit purposes.

If you have any questions, please contact Michelle Johnston at Michelle.Johnston@sbcss.net.

Thanks,
Lena

DATE: January 25, 2022

TO: Chief Business Officials, Personnel Administrators, Fiscal Services Directors,
and Payroll Staff
San Bernardino County School Districts, Community Colleges, County Office of
Education, and Charter Schools

SUBJECT: **CalPERS Compensation Limits for Classic and New Members**

CalPERS has issued Circular Letter 200-001-22 to inform employers of the 2022 compensation limits for Classic and New Public Employee Pension Reform Act (PEPRA) members and provide guidelines on how to report payroll when Internal Revenue Code (IRC) or PEPRA limits have been reached in a calendar year. **The employer should notify all Classic or New members (PEPRA) who are subject to the compensation limit requirements.**

The compensation limit for Classic members for the 2022 calendar year is \$305,000.
Employees with membership dates prior to July 1, 1996, are not impacted by these limits.

Classic member compensation during 2018-2021:

2021	2020	2019	2018
\$290,000	\$285,000	\$280,000	\$275,000

The compensation limit for new members for the 2022 calendar year depends on their participation in Social Security.

The compensation limit for the 2022 calendar year is:

Year	Social Security Participants	Non-Social Security Participants
2022	\$134,974	\$161,969

The compensation limits for new members (PEPRA) during 2018-21 are:

Year	Social Security Participants	Non-Social Security Participants
2021	\$128,059	\$153,671
2020	\$126,291	\$151,549
2019	\$124,180	\$149,016
2018	\$121,388	\$145,666

These limits for both member categories are applicable for the 2022 calendar year. **Compensation limits for both Classic and New members do not limit the salary an employer can pay, but rather limits the amount of compensation taken into account under the defined benefit plan.** Classic and New members should not make contributions on compensation that exceeds the limit for each calendar year. In addition, all compensation reported to CalPERS should exclude items such as overtime, automobile allowances, lump sum payouts, etc.

The employer is responsible for monitoring when an employee meets or exceeds the limit. Once a participant reaches the compensation limit, the employer must continue reporting compensation as earned; however, employer and employee contributions should no longer be reported for the rest of the calendar year. **The compensation limits have been entered in to Payroll.net, and when an employee reaches the threshold, no contributions will be withheld.**

CalPERS will track Classic and new member earnings over multiple CalPERS contracting agencies and will notify District Financial Services (DFS) when a member reaches or exceeds their compensation limit. DFS will notify the district and give direction on how to report compensation for the remainder of the calendar year for any member that reaches the compensation limit who was hired in the middle of the calendar year from another CalPERS agency. Monitoring begins anew at the beginning of each calendar year. Therefore, contribution reporting should resume each January 1 for your employees.

Impact on Final Compensation

For Classic School members, final compensation is the average annual compensation earnable for a 12 consecutive-month period of employment.

Classic members' retirement allowances are subject to final compensation limits under IRC 401(a)(17). The calculation of each 12-month period shall be subject to the annual compensation limit in effect for the calendar year in which the 12-month period begins. If final compensation exceeds 12 months, each 12-month period is calculated based on the applicable annual compensation limit for that 12-month period.

For new members, final compensation is the average annual pensionable compensation for a 36-consecutive-month period of employment.

New members' retirement allowances are subject to pensionable compensation limits under Government Code section 7522.10. The pensionable compensation limit (used to calculate final compensation), is calculated based on the limit in effect for each calendar year and the number of days per year included in the final compensation period.

See attached for the original CalPERS Circular Letter.

If you have any questions regarding this bulletin or reporting beyond the compensation limit, please call Michelle Johnston at (909)388-5731.

Sincerely,

Ted Alejandre
County Superintendent of Schools

Payroll

Circular Letter

January 3, 2022
Circular Letter: 200-001-22
Distribution: IV, V, VI, X, XII, XVI

To: All CalPERS Employers
Subject: 2022 Compensation Limits for Classic and PEPRAs Members

Purpose

The purpose of this Circular Letter is to inform you of the 2022 compensation limits for classic and Public Employees' Pension Reform Act (PEPRA) members and provide guidelines for how to report payroll when Internal Revenue Code (IRC) or PEPRA limits have been reached in a calendar year. IRC section 401(a)(17) provides an annual compensation limit considered under a qualified retirement plan for some classic members. Government (Gov.) Code section 7522.10 of the PEPRA law provides the authority for the earnings limit for all PEPRA members.

You should notify all classic or PEPRA members who are subject to the compensation limit requirements.

Compensation Limits

Classic Members

The compensation limit for classic members for the 2022 calendar year is \$305,000. Employees with membership dates prior to July 1, 1996, are not impacted by these limits.

The compensation limits for classic members during calendar years 2018 through 2021 are:

2021	2020	2019	2018
\$290,000	\$285,000	\$280,000	\$275,000

PEPRA Members

The compensation limit for PEPRA members for the 2022 calendar year is:

Year	Social Security Participants	Non-Social Security Participants
2022	\$134,974	\$161,969

The compensation limits for PEPRA members during calendar years 2018 through 2021 are:

Year	Social Security Participants	Non-Social Security Participants
2021	\$128,059	\$153,671
2020	\$126,291	\$151,549
2019	\$124,180	\$149,016
2018	\$121,388	\$145,666

Reporting Guidelines

Compensation limits for both classic and PEPRA members do not limit the salary an employer can pay; they limit the amount of compensation that can be considered under the defined benefit plan.

For classic members, report compensation earnable to the California Public Employees' Retirement System (CalPERS). For PEPRA members, report pensionable compensation to CalPERS. For classic and PEPRA members, contributions should not be made on compensation that exceeds the limit for each calendar year. All contributions should be reported as earned and not when paid¹. In addition, exclude items such as overtime, automobile allowances, and lump-sum payouts for all compensation reported.

You are responsible for monitoring when an employee meets or exceeds the limit. Once an employee reaches the compensation limit, you must continue reporting compensation as earned; however, employer and employee contributions should not be reported for the remaining calendar year. myCalPERS will track classic and PEPRA member earnings over multiple CalPERS contracting agencies. Therefore, if a member is hired in the middle of the year from another CalPERS agency, myCalPERS will notify the current employer when the member reaches or exceeds the compensation limit. Monitoring and contribution reporting begin on January 1 of the calendar year. The end date of the payroll earned period determines which calendar year the period falls.

¹ Pursuant to Government Code section 20630, when compensation is reported to the board, the employer shall identify the pay period in which the compensation was earned regardless of when reported or paid.

Federal law does not permit CalPERS to refund over-reported contributions to an active CalPERS member. You must report these adjustments and refund the money to the employee once the adjustments have posted.

Impact on Final Compensation

For classic members, final compensation is the highest average annual compensation earnable for a 12- or 36-consecutive month employment period, depending on your contract.

Classic members' retirement allowances are subject to final compensation limits under IRC section 401(a)(17). The calculation of each 12-month period will be subject to the annual compensation limit in effect for the calendar year in which the 12-month period begins. If final compensation exceeds 12 months, each 12-month period is calculated based on the applicable annual compensation limit for that 12-month period.

For PEPRA members, final compensation is the average annual pensionable compensation for a 36-consecutive month employment period.

PEPRA members' retirement allowances are subject to pensionable compensation limits under Gov. Code section 7522.10. The pensionable compensation limit — used to calculate final compensation — is calculated based on the limit in effect for each calendar year and the number of days per year included in the final compensation period.

Online Training

The myCalPERS Payroll: Reporting Earnings Over the Compensation Limit online class is available for employers. This class provides instruction on how to report payroll information when the compensation limit has been reached. To enroll in the class, log in to your [myCalPERS](#) account and select the **Education** tab.

If you have any questions, call our CalPERS Customer Contact Center at **888 CalPERS** (or **888-225-7377**).
